 Thursday, June 10, to vote on the  
 pro-bond election of \$45,000 to buy  
 a site and erect a new high school  
 building.

J. Frank Powers was on early  
 Saturday morning arrested by Sher-  
 iff Jeffries and brought before the

 proposition to bond School District  
 No. 18, for \$45,000 to buy a site and  
 erect a new high school building just  
 across from the present school build-  
 ing. The school rooms are crowded

 churches and other places beside the

 Royal but the whole family  
 would like to if it could—and right  
 here the best part of the family  
 has succeeded!

For in all this big wide world no  
 easy chairs compare in beauty,  
 quality and commodious comfort,  
 with Royals.

Royal Easy Chairs are famous as the "World's Easiest Easy  
 Chairs."

The upholstery is luxuriously comfortable. But the patented  
 features of Royals are the Push Button and Leg Rest. These  
 conveniences are found only in Royal Easy Chairs.

The Push Button, concealed in  
 right chair arm enables the oc-  
 cupant to change from an up-  
 right to a full reclining posi-  
 tion without moving from the  
 chair.

When lightly pressed, it re-  
 leases the back which either  
 drops gently with the weight  
 of the body to the position de-  
 sired, or automatically rises.  
 In any position the back se-  
 curely locks when the button  
 is released.

Leg Rest, also concealed when  
 not in use, draws out—affords  
 rest for the feet and limbs  
 without recourse to other fur-  
 niture.

Made in handsome modern  
 over-stuffed, Colonial, and  
 Period designs. Mahogany or  
 Oak finish. Richly upholstered  
 in Tapestries, Velours and  
 Leather, [real and fabricated.]
