**Twenty-five Ontario Women Register For Course in Home Nursing Given Under Direction of Red Cross Chapter**

Red Cross Home Nursing Classes will be held in the High School Building at 3 P. M. and 7:30 P. M. every Tuesday, Thursday and Saturday until the fifteen classes are completed.

"The interest being shown in these classes by the women of Ontario is most encouraging and proves a genuine community spirit," says Miss Ada Cresap, the instructor. Only 10 per cent of sick people have hospital care, think what it means for the other 90 per cent who are ill in their homes when the women of the country are not adequately prepared to care for them.

"There are twenty-five members and it is hoped others will join at once so as to get the benefit of the first lessons which are among the most important.

"Names may be registered at the Blackaby Jewelry store or at the High School Building when you attend the classes."

**SPANISH AMERICAN WAR VETERAN WAS IN PARADE**

Owing to an oversight on the part of the Argus no mention was made last week of the fact that the Spanish American war veterans were represented in the Fourth of July parade. Ontario has a number of these veterans, but somehow they have never organized nor made their presence known, until W. J. Shafer who saw service in that war, brushed up his old U. S. Cavalry uniform and took part in the Memorial Day and Fourth represented that war for the relief of July Parade. Since he alone represented that war for the relief of struggling Cuba, he was given a place of honor with the marshal of the day. The Argus gladly makes this correction, and hopes that the Spanish War veterans will organize and make their presence known in the future.

Bill Lees has resigned his position at the Ontario Pharmacy and has accepted a position with the State Highway Commission near Brogan. Melvin Walters has taken the position at the Pharmacy.
