PYREX

We have just received our fall shipment of
Pyrex Cooking Glassware

This has been ordered for many months but on account of the glass shortage, we have just received it.

Our marked retail prices on this lot are lower than the present factory costs, and as this is probably the last shipment we will be able to get this year, we recommend your buying now for present and next winter needs.

Our stock is now complete and we will be pleased to show you through the line.

There is nothing better than glass for cooking and the best is none too good.

Pyrex is the original and best in the line.
