OREGON NEWS NOTES OF GENERAL INTEREST

Principal Events of the Week Briefly Sketched for Information of Our Readers.

The city treasurer of Salem reports a total of \$64,541 in the city treasury.

The water supply of Roseburg was shown to be chemically pure when inspected.

Portland has been made western headquarters for the Democratic national committee.

Rev. J. Groschupf, formerly of Spokane, has been installed as pastor of the Lutheran church at Baker.

The fund being subscribed at Coquille for a new Methodist church has already passed the \$6000 goal.

Thirty-eight portable school buildings are to be constructed immediately for use of the Portland schools.

C. F. Hartwig of Bend claims that he can lure electricity sufficient to develop 50,000 horsepower from the air.

The Gale tract of 10 acres adjoining the University of Oregon campus at Eugene has been sold to the university.

Miss Celia Gavin, city attorney of The Dalles, has been appointed a member of the Democratic state central committee.

The U. S. S. Birmingham and a division of six destroyers paid a visit to Astoria during the American Legion convention.

Permanent headquarters of the American Legion's Pacific coast committee to combat radicalism have been established in Portland.

Work has been begun on the three story fruit packing plant of the Oregon Growers' association at Myrtle Creek in Douglas county.

St. Helens shows a growth from 742 in 1910 to 2220 in 1920, and Clatskanie from 747 in 1910 to 1384 in 1920, according to the census figures.

The state fish commission made an investigation of property near Roseburg with a view to selecting a site for an exclusive trout hatchery.

With the coming of the haying season, the Bend lumber mills are losing many employees who are leaving for work on Oregon and Idaho ranches.

Portland railway officials report there is some improvement in supply of cars for loading lumber and other products from the Pacific northwest.

Nearly one hundred young people representing Presbyterian churches throughout Oregon have met in Albany to attend the summer conference.

The city of Hood River has let a contract for the construction of a combined city hall and firemen's headquarters at an estimated cost of \$23,174.

Following the wrecking of their church, partly destroyed by fire, the Baptists of Bend are planning to erect a new fireproof structure to cost \$35,000.

The annual encampment of the pioneers of Wheeler and Gilliam counties was held at the Julia Henderson pioneer grounds, 13 miles southeast of Fossil.

Dr. Clyde Mount of Portland was elected president of the Oregon State Dental association at the business session, which concluded the annual session in Portland.

Manufacturers and public service corporations in the Portland district use sawmill refuse for fuel to a greater extent than any other section of the United States.

The Buehner Lumber company at North Bend has begun construction of a monster smokestack. It will be of concrete 110 feet high with a diameter of 10 feet at the top.

The orchard of George Webb at The Dalles, one of the finest in the entire state, has been leased to Japanese interests. This orchard consists of about 550 acres of bearing fruit.

The Roseburg city council unanimously voted to fight the new rates granted by the Public service commission to the Douglas County Light & Water company of Roseburg.

Josephine and Grant counties both show decreases, according to census reports. Josephine county, 7655, decrease of 1912 or 20 per cent; Grant county, 5496, decrease of 1111 or 2 per cent.

Attorney-General Brown has submitted to the state land board a proposal to transfer what are known as Hyde-Benson lands from the United States government to the state of Oregon.

Recent rains have damaged considerable hay in Lincoln county, but the loss is more than offset by the increased yield of later crops. A bumper crop of berries and potatoes is now assured.

Property owners in Brownsville who have property abutting on Main street and Spalding avenue in the district which the city council proposed to pave have filed two petitions asking the circuit court to grant injunctions against the contract entered into between the council and L. E. Herold, Salem contractor.

Water Power Act Being Drafted.
 Washington—Regulations for the administration of the federal act opening up the country's vast water power resources to private development are now being drafted. As soon as they are completed the water power commission, composed of the secretaries of war, interior and agriculture, will hold hearings on them.

Award Will Cost S. P. \$17,500,000.
 San Francisco.—An increase of approximately \$17,500,000 will be added to the payrolls of the Southern Pacific railroad as a result of the awards of the railroad labor board, according to an estimate made public by that company.

Greeks Take Adrianople.
 London.—The Greeks have occupied Adrianople, according to an announcement made in the Athens newspapers, and forwarded to the Exchange Telegraph company.

"Let Me Tell You This" says the Good Judge

More men every day are finding that it costs less to use the Real Tobacco Chew.

The full rich taste lasts so long; a small chew satisfies; it's just what you have been looking for.

That's why it costs you less.

Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles

RIGHT CUT is a short-cut tobacco
W-B CUT is a long fine-cut tobacco

Weyman-Bruton Company, 1107 Broadway, New York City

We Loan Money

This bank loans money. That's the way we make our living. But we don't loan money foolishly nor for imprudent purposes.

It is our ambition to see this community prosper and it is decidedly to our advantage to see that it does prosper, because if the community prospers our deposits will be increased and we will have more money to loan. It can readily be seen, therefore, that we cannot consistently loan money for any purpose not conducive to the best interests of the community in general and the borrower in particular. On this basis this bank loans money gladly.

ANNOUNCEMENT

Property owners in Brownsville who have property abutting on Main street and Spalding avenue in the district which the city council proposed to pave have filed two petitions asking the circuit court to grant injunctions against the contract entered into between the council and L. E. Herold, Salem contractor.

If it's printing, we can do it.

Save Time and Money

BUY A

Hoover Potato Digger

SHOVEL is made of the best quality high-carbon crucible steel, formed on special dies to just the right shape to scour properly and gather the potatoes with the least possible loss. The corners are turned to permit the shovel to clear without catching or clogging.

MAIN FRAME consists of the axle, main sides, shovel, beams and seat arch, which bolts solidly together, making a very rigid frame. The axle is inch and half diameter, cold-rolled steel, with oil grooves for properly oiling the driving wheels.

MAIN SIDES are made of solid Bessemer steel, rolled with a rib to give the greatest amount of strength. The shovel and axle are bolted solid to malleable castings securely riveted to the steel sides.
