

## ONTARIO BUSINESS TO CEASE FAIR WEEK

Merchants Sign Agreement to Close From 12:30 to 5 P. M. Every Day of Fair—Following Established Custom

Ontario will take Fair Week off to enjoy the annual celebration, and demonstrate that as never before Ontario business men are supporting the institution which brings hundreds of visitors to the city.

A committee headed by E. A. Fraser this week circularized the business men with the agreement to close during the Fair, and everywhere meet with the support of the merchants who expressed the sentiment that now that the Fair is managed by the Farmers it was the duty of the citizens of Ontario to go further than before in doing everything possible to make the show a huge success.

This the fair of 1920 will be of the co-operation of the business men of Ontario can accomplish it for the exhibits will be greater than ever, come from more communities and be more representative of the county than any fair in the past.

The following is the list of business firms who signed the agreement to close during the Fair: E. A. Fraser, Boyer Bros., Rader Bros., Alexander Co., J. A. Floek, C. P. Cummings, McNulty & Co., Ontario Modern Pressery, C. P. Skow, Kroessin Harness Co., Ontario Furniture Co., Taggart Hardware Co., Geo. W. Wayt, Blahkaby Jewelry Co., A. Robinson, H. H. Tanny, Moore Grocery, C. C. Russell, A. L. McDowell, Golden Rule, Troxell Implement Co., Northwestern Electric Co., E. Parish, and The Purity Bakery.

## COMMUNITY FAIR FOR OREGON SLOPE SET

Handlers to Hold Picnic and Display Products Preparatory for Selecting Exhibit for County Fair

The first of the community fairs which are to be held in various communities of the county preliminary to the County Fair is staged for next Thursday, September 16, on Dead Ox Flat when the Farm Bureau of Oregon Slope and Riverdale are to unite in a fair and picnic.

The grove located a half mile south and the same distance west of the Park school has been selected as the place for the picnic and exhibition. An interesting program has been arranged for many exhibits with close contests are assured and a good time is a certainty. The men in charge of the gathering extend a general invitation for every one to join with them. All that is needed is a well filled lunch basket, the Oregon Slopers and the Riverdale folks will furnish the rest.

## FIRST ANNUAL CIVIC IMPROVEMENT CONTEST

W. L. Turner Takes First Honors in Contest By First National Bank—S. F. Taylor Wins Second Prize

W. L. Turner was declared the winner of the First National Bank's initial Civic Improvement contest by the Judges who made their final inspection yesterday. S. F. Taylor, Jr. was named the winner of the second prize, W. F. Escue was placed third and Mrs. E. M. Greig fourth. Honorable mention was given W. W. Wood and V. W. Chamber in that order.

The Judges, Mayor R. W. Jones, City Engineer O. A. Kratz and Mrs. Irwin Troxell made a trip around the city each month and sored the various entries and viewed the improvement made by each.

That the contest has been successful in its object of increasing the pride of Ontario people in their homes is the confirmed opinion of the judges of the contest. Not only are the homes of those who contested much more attractive than they were in the spring, but many of their neighbors who did not compete for a prize have been inspired to proceed with many betterments.

The First National Bank which instituted the contest gave \$50 in gold to be distributed to the winners. Mr. Turner was awarded \$40 as winner of first place, Mr. Taylor received \$25 as winner of second honors, and Mr. Escue received \$10 and Mrs. Greig \$5. And all of them received the satisfaction of having much handsomer homes.

## "EASY TO GET" FURNISHES DELIGHTFUL PICTURE

With dainty Marguerite Clark in a characteristic light comedy role, "Easy to Get" the picture which will be at the Dreamland Saturday, September 11 is thoroughly delightful.

The title refers to a remark which a two-hour-old husband made in the hearing of his bride while on their honeymoon to the effect that women are like trolley cars: If you miss one, another will be along in a minute. The bride decides to give him a chance to prove it, and slips off of the train at the next station. He pursues frantically, and both land into a laughable and exciting set of adventures.

Miss Clark's performance is, as usual, vivacious and pleasing. Harrison Ford is agreeably cast as the young husband, and Rodney LaRocque, Kid Broad and Helen Greene are also included in the cast.

# Cleans Places only a Dust Cloth can reach

The Air-Way cleaner requires no attachments to reach the brush and dust-cloth corners, the pleats of the upholstered furniture, and the dust collecting moldings and casings.

A turn of the wrist changes the generous suction from the floor tool through the hollow handle and the entire cleaner may be lifted without effort to clean the difficult places. The Air-Way is equipped with an exclusive sanitary, burnable paper dust collector and the floor tool automatically adjusts itself to any carpet or tapestry nap.

We will gladly demonstrate the Air-Way in your home and leave it for a generous free trial.

Special Terms and Price

\$5.00 for your old sweeper.

## LATEST METHODS TOLD TO COUNTY TEACHERS

Institute of Pedagogues Largest Ever Held in County—Shows Growth of School System—Parent Teachers Approve Warm Lunches

Explaining the latest developments in the art of teaching, a corps of lecturers is preparing the teachers of Malheur county for their coming year's work at the High School this week.

The enrolment at the institute over which Mrs. Julien A. Hurley, county superintendent of schools is presiding is the latest in this history of the county. There are 160 teachers in attendance and the list of lecturers include specialists in every branch of teaching.

On Wednesday afternoon, the opening day, the Malheur County Parent Teachers council had charge of the program and an interesting discussion of the relation of the parent to the school took place. Miss Mazie Wilson discussed the need for hot lunches for the children compelled to bring their lunch to school, and a resolution was passed approving of this innovation for the schools of the county.

**Want County Nurse**  
The parent teachers also went on record in favor of the appointment of a county school nurse to care for the health of the children, hold medical inspections and otherwise advise in the care of the children. A committee consisting of Superintendent J. M. McDonald, the superintendent of the Vale and the Nyssa schools was named to make a request of the county Court for this service.

Mrs. Bruce Koster of Vale was named as the delegate to the State convention of Parent-Teachers to be held in Portland this fall.

Former Superintendent Here Among the interesting lecturers

on the program is Prof. H. R. Douglas of the school of education at the University of Oregon who for two years was superintendent of the Ontario public schools. Among the other speakers were: Dr. J. F. Brumbaugh, professor of psychology, and Ralph O. Coleman, department of physical education, at O. A. C.; Mrs. Cora Eby Geiss, primary instructor, Portland, Miss Hazel Williams, of the Palmer Penmanship school of Portland, Superintendent of Schools J. M. McDonald of Ontario and Miss Mazie Wilson, county club leader.

## LOCAL PERSONALS

J. G. Staples returned this week from Mabton, Washington where he spent the past three months the guest of his daughters Mrs. Shinn.

William Jones of Juntura came down to spend the week with his family here.

Dave Graham, of Juntura, brother of Andrew Graham, candidate for county assessor of the Republican ticket was an Ontario visitor this week. Mr. Graham motored down with William Jones.

Mrs. W. C. Hedges of Juntura is an Ontario visitor this week. William Altnow of Beulah is one of the upper country men to transact business in Ontario this week.

James John of Pendleton spent the week in Ontario on business.

## RABBITS RECEIVE ATTENTION OF BIOLOGICAL DEPARTMENT

E. E. Horn who is working with the farm bureau on rodent control work, took a recess this week for a few days from his work with pocket gophers in order to answer a call for assistance from the Jamieson neighborhood where the Jackrabbits are destroying alfalfa seed fields at a rapid rate. He went to the C. P. Crosby farm to assist the farmers to get started on a poisoning campaign.

## AERIAL STUNT FEATS TO FEATURE AT FAIR

(Continued from Page One)

The Fair Board this year is composed of E. M. Dean of Nyssa, president, V. T. Herrett of Vale, vice president, and V. V. Hickox of Ontario secretary. All of these men are practical farmers and believe in improving the quality of the stock raised in this section and believing that the County Fair is the place to awaken this interest in good live stock they have offered big premiums to stimulate the movement for better breeding.

**Many Fine Races**  
The amusements at the County Fair this year will surpass anything ever offered before. There will be trotting races every day. Three running races and one relay. Already there are over twenty race horses at the track with promises of many more to come. The purses offered are good and this should be a lively race meeting.

Prizes of \$200, \$150 and \$100 are offered for the best riders in the bucking contests. The idea is to have local riders from Malheur, Grant, Harney and Baker Counties in Oregon and from Canyon, Payette, Washington and Adams Counties in Idaho. This will serve to eliminate the professional riders and make the contest much more interesting.

## FOURTH GRAND CHILD LIKE PREDECESSORS BORN SUNDAY

Mr. and Mrs. Shimp of Little Willow have four grand children, and every single one of them was born on a Sunday. The last of the quartet arrived last Sunday at the Frank Hardman home and is the daughter of Mr. and Mrs. Walter Shimp.

# Tire Prices

## Some False Ideas About Them

**Should an extra price buy an extra grade tire?**  
It should not. Any first-grade tire should be built as well as a tire of that type can be built.

Cord Tires cost more than Fabrics, and are worth the extra price. Men who figure cost per mile are coming to Cord Tires.

But any tire, Cord or Fabric, should be built for the utmost service which that type can give.

**Some Men Over-Pay**  
Some men pay extra prices, expecting extra mileage. Some pay under prices for an under-grade, and hope to save in that way.

Both are wrong. There may be exceptions—there are always freak tires. But countless tests have proved that Miller Tires at Miller prices, on the average, give the lowest cost per mile.

**Tread Patented**  
Center tread smooth with suction cup, for firm hold on wet asphalt. Geared-to-the-road side tread mesh like cogs in dirt.

**We Insist on This**  
There are three requirements which Miller Tires must meet.

First, they must average greater mileage, type for type, than any rival tire.

We constantly prove this. Eight machines in our factory run two tires each under rear-tire conditions. Each tire is run 650 miles daily by running extra-fast.

**Won Over 21 Makes**  
The Eldorado Stage Co. of Los Angeles tested 21 other makes against Miller's on 12-passenger Packard Buses, weighing 8,600 pounds loaded. In this supreme test Miller's won by long odds, on long-distance uniformity.

Here we constantly compare the best other tires with Miller's. Also in ceaseless road tests. Thus, day by day and week by week, we are guarding the Miller supremacy.

# Miller Tires

Winners in Million-Mile Test

Cords or Fabrics  
Geared-to-the-Road  
Registered U. S. Patent 1,120,000

**Parker's Tire & Vulcanizing Shop**  
Phone 177 Auto Accessories Ontario, Ore.

**Every Tire Signed**  
We insist that Millers must be uniform. Each tire is signed. A record is kept of the maker, the inspector and the process.

If a tire comes back for adjustment we learn the reason. If the workman is at fault he is penalized. If the inspector overlooked a flaw he is held responsible. If any process or material is at fault, we correct it.

After years of this checking we've attained uniform tires. There are whole large cities from which not a Miller Tire came back last year.

**Treads Must Endure**  
Miller Treads, by our standard, must outwear the balance of the tire.

We have attained a tread which outwears rivals by 25 per cent.

Every day our tread stock is vulcanized, then tested, in our laboratory. We permit no variation.

Not a single Miller Tire with these new-grade treads has ever come back with the tread gone.

**Not 20,000 Miles**  
Countless reports come to us on Miller Cord Tires showing 20,000 to 28,000 miles of service. And tales of that kind are told everywhere, we learn.

But mileage depends on conditions—on size, care, load and road. Millers are uniform, but they are not used under uniform conditions.

In our factory tests we average 15,000 miles on Cords.

But a Miller Tire will outlast—almost always—any tire that you place opposite, no matter what it costs. Compare them under like conditions, and see what mileage modern tires can give.

You will gain a new criterion. When you buy a new car insist on Miller Tires. Twenty car makers now supply them and there is no extra charge.

THE MILLER RUBBER CO., Akron, Ohio
