**Ford Prices Before the War**

In 1904, 5 and 6 Ford Touring Cars Sold for \$2000.00 F. O. B. Detroit

The new price is \$440.00 F. O. B. Detroit and the present Ford cars are the best cars the Ford Motor Company ever made. Regardless of 146,065 orders on file for immediate delivery and millions of dollars' worth of high priced raw material on hand, the new Ford prices were fixed on a pre-war basis in an effort to bring the business of the country and the cost of living to normal again. The war started in 1914.

Compare the new Ford prices, now in effect, with the 1914-15 prices:
