

Every Ontario Merchant Offers Bargains For Monday, November 1 --- Read The Money Saving Bargains They Offer You In This Issue

FRIENDS: Ontario invites you to travel over the paved highway to its paved streets and participate in the celebration of the completion of this improvement

CELEBRATION PROGRAM

(Continued from First Page)

for this evening a splendid feature film well worth anyone's time to see. Regular prices will be charged for the evening shows at the theaters.

Many of Ontario's business houses in part of their contribution to the day's celebration will have in their various places of business special sales of goods, attractively marked down in price. This fact in itself will draw out of town visitors for the day.

Every person whether or not a resident of Ontario is extended a cordial and warmhearted invitation to come to Ontario on Monday. Join in the celebration and dedication of this highway, participate in the good time which all will have and thereby help to make this day one long to remembered as one of the most enjoyable of the whole year. Everybody will be welcome and all are expected to come.
