### "IT WILL BE A HUMMER"

This is what the varsity "O", the greater O. A. C. and the vigilance committees say about Home-coming week, November 19 to 21. The Aggie-U. of O. football game is expected to draw a capacity crowd. Tickets are going like hot cakes.

Letters with attractive orange-and-black envelopes have been sent to all the alumni in an effort to get all the old students back to see the Oregon game, and to take part in the festivities of their alma mater. Reunions have been planned in various fraternity houses, and banquets, "feeds" and other festivities arranged.

The bonfire, built by the freshmen, will feature the entrance of the old King Jaxx, according to the committee. This bonfire is an event in every "rook's" life. The bonfire last year was 25 feet square and lighted up the heavens so that it could be seen on the University of Oregon campus. The classes will guard the fire Thursday night. It is the custom that the seniors take the first shift, the juniors next, the sophomores the "graveyard" shift from 12 to 4, and the rooks finish the night.

The rally Friday night will be started by the monster fire and stunts and talks will be featured. The annual rook-soph bag rush is scheduled for 10 o'clock Saturday morning. The rush will be inspired by the seniors, as is always the custom.

The big O. A. C.-Oregon game will occupy the afternoon. The varsity "O" men, alumni and active will banquet at 6 o'clock Saturday. The board of regents will be in attendance and it is hoped that the governor will stay over for the festivities. Wallace Kadderly, formerly Aggie track mentor, is in charge of the banquet.

The crowning event of the week-end will be the varsity "O" dance Saturday evening. Both the men's and Women's gymnasiums will be used. Open house will be observed at 3 o'clock Sunday afternoon.

### THANKSGIVING SERVICES

Will be held at the Baptist Church on Thursday at 10:00 o'clock. The churches will unite in the service. Reverend D. J. Gillanders, pastor of the Congregational Church will preach the sermon. It is not only a religious duty but a civic duty to attend. All are invited.

## THE CHENEY

Like the actual orchestra in your home

It seems almost like magic to hear an orchestral record on The Cheney. Just as though the members of the orchestra filed in with their instruments at your bidding. Symphony orchestras, popular dance orchestras or bands—all respond to your call, when you play The Cheney. And The Cheney alone can give you such a perfect treat. No other instrument has the orchestral chambers which reproduce every tone of every instrument so accurately.

Let us show you how The Cheney's tone adjuster, reproducer, tone arm, acoustic throat and violin resonator also increase the charm of its music. If you cannot call send us for the interesting Cheney booklet.
