

There's Joy in Being Properly Jeweled

Only a woman knows the joy of being properly jeweled. Many women have worn jewels they knew were "wrong" simply because it was

the selection of some one near and dear.—Let us help you—Mr. Man—in selection of that Christmas gift for HER this year. We take pride in "appropriateness" of gifts.

The wide variety of styles does not permit detail description of any one new model. They're — \$1.00 to \$50.

WRIST WATCHES \$15 to \$75

Not only is the young Miss of "flapper age" who desires a wrist watch—but also the matured matron. They are convenient—they are useful—there is a friendliness and a joy in the possession. Our lines in all standard makes—from the 15 jeweled—cased in white, green or yellow gold—beautiful patterns, down to the less expensive kind—but every one backed by Blackaby's guarantee.

No sir-ee, bob!

No premiums with Camels—all quality!

CAMELS quality plus Camels expert blend of choice Turkish and choice Domestic tobaccos pass out the most wonderful cigarette smoke you ever drew into your mouth!

And, the way to prove that statement is to compare Camels puff-by-puff with any cigarette in the world!

Camels have a mild mellowness that is as new to you as it is delightful. Yet, that desirable "body" is *all there!* They are always refreshing—they never tire your taste.

Camels leave no unpleasant cigarett aftertaste nor unpleasant cigarett odor! Your say-so about Camels will be:

"My, but that's a great cigarette".

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes for 30 cents; or ten packages (200 cigarettes) in a glassine paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.
