VIOLA DANA IN NEW CINDERELLA VERSION

Lovable Cinderella is with us again—or rather her new twin sister, whimsically appealing and sparklingly fresh. She will be seen at the Majestic Theatre Thursday, January 27 when the Metro special "Cinderella's Twin," will be featured as the attraction of the bill.

Which is cause for rejoicing. For rumor hath it that this picture is one delightful concoction with all the old never-failing charm. And pliant little Viola Dana is there as the star—the scullery maid who goes straight into a twentieth-century mansion to find the heart of the man she loves.

It has twists aplenty. Out of them is the situation where Connie McGill, the little maid, suddenly has to flee the splendor of a ballroom, and in the act drops her slipper, which contained the key to a safety vault holding the jewels sought by thieves. Her Prince Charming gets the slipper, and arrested into the bargain for the theft.

In the old story, a fairy godmother does the trick; in the modern version, a gang of unscrupulous thieves assist the little maid to see the brilliant life.

"Cinderella's Twin" is from the original story by the well-known writer, Luther Reed, as scenarIALIZED by himself.

There were fifty-four in attendance at the Park Sunday school and church services Sunday. Rev. Buhl of Payette conducted a very helpful service.

Raymond and Helen Gutteridge spent Sunday with home folks.

The roof of the Payette-Oregon Slope pumping plant which was recently damaged by fire is being repaired.
