THE HUB

The death knell has sounded to high priced merchandise in Ontario. This entire stock must be sold or given away in seven short days, beginning **SAT., MAR. 19 at 9:23 A. M. Sharp**

LOOK! FREE!

Envelopes containing merchandise certificates or U. S. coin values of 5c to \$1.00 will be given to the first 50 customers to enter the store at the sale hour; 9:23. There will be a crowd waiting, so get in line early.

Our sales manager said, "Do you think you can move the Ontario stock quick?" "Sure," I replied, "If I make the prices low enough." We looked at a bolt of 35c Gingham. "What will you sell it for?" he asked. "Twenty-two cents," I replied. "No!" he said, "sell it for 13c." So I am working, cutting, slaughtering to the limit to make this the greatest sale ever seen in Ontario. Prices that will make the most skeptical shopper go home with his arms loaded. Come expecting to buy cheap and you will not be disappointed.
