How long a little of the Real Tobacco Chew will last.

Nor how much genuine chewing satisfaction the full, rich real tobacco taste will give. Ask any man who uses the Real Tobacco Chew. He will tell you that this class of tobacco will give more satisfaction-and at less costthan the ordinary kind.

FARM BUREAU CONSIDERS WHEAT AND WOOL MARKETING

The directors of the county farm bureau at the regular monthly meeting, held April 9, took under consideration the marketing of wheat and of wool under the co-operative plan as presented by letter by the managers of the Oregon Co-operative Wheat Growers and the Oregon Wool and Mohair Growers. Both of these organizations were recently launched by the State Farm Bureau in cooperation with other farmers organizations and have made considerable progress in other counties in the state.

After discussing the advisability of associating with these organizations, the directors decided that more information was necessary and accordingly referred the matter to the marketing committee for investigation and report at the May meeting. Co-operative marketing of farm products is making great strides at present under the influence of the American Farm Bureau Federation.

WHAT MOTHERS' DAY CLUB?

It is a club composed of those whose wish it is to "keep Mother's heart singing" and who have, accordingly, chosen to surprise her with a Brunswick, presented in an appropriate way on Mother's Day (May 8th)

WHAT MUST ONE DO TO JOIN THE MOTHER'S DAY CLUB?

Call on the Brunswick Dealer. Select the Brunswick in the finish you desire. Select ten records-we will suggest a list suitable for the occasion. The cost of the Brunswick 112 is \$200,00, of the ten records (Black seal) \$8.50. The first club payment is \$8.50, just the price of the records.

The Brunswick store will then put the Brunswick and the Records you have chosen to go with it, to one side, first seeing that the instrument is in first-class condition and properly adjusted in every way. The second club payment is made on May 1st. and is \$20.00 (being only 10% of the cost price).

On the morning of Sunday, May 8th, Mother's Day, Mother will receive the Brunswick with an inscribed gift card especially designed for this day and twenty selections (ten records) in a Mother's Day Envelope, bearing in four-color process work, of unusual beauty, a Mother and Babe, symbolical of the spirit of Motherhood.

There is no charge to those joining the Mother's Day Club for the Mother and Babe Envelope, the Gift Card, or the special delivery or other service given in connection with the Club.

The deferred balance should ordinarily be paid in one year, in twelve equal parts.
