

**"Just Between You and Me"**  
says the Good Judge

Here's genuine chewing satisfaction for you, hooked up with real economy. A small chew of this class of tobacco lasts much longer than a big chew of the ordinary kind—that's because the full, rich, real tobacco taste lasts so long. Any man who uses the Real Tobacco Chew will tell you that.

Put up in two styles

W-B CUT is a long fine-cut tobacco  
RIGHT CUT is a short-cut tobacco

**McCormick and Deering**  
Machines speed up Hay Harvest

THERE are two big reasons for speeding up—the cost of labor and the pressure of other work.

McCormick and Deering Mowers are light draft, easy to handle and can be depended upon to cut hay every minute.

McCormick Rakes get all the hay.

**I'd walk a mile for a Camel**

The pleasure is worth it. There's no substitute for Camel quality and that mild, fragrant Camel blend.

The fellow who smokes Camels, wants Camels. That's because Camels have a smoothness, a fragrance and a mildness you can't get in another cigarette.

Don't let anyone tell you that any other cigarette at any price is so good as Camels.

Let your own taste be the judge. Try Camels for yourself. A few smooth, refreshing puffs and you'd walk a mile for a Camel, too.
