A Sulky Rake That Gives Extra Service

There's real economy in buying a John Deere Sulky Rake. Because of its better construction, better material used, and the adjustments provided to keep it in good working order, it will give you more years of satisfactory service than any other rake we have ever seen.

JOHN DEERE SULKY RAKE

Its heavy angle steel frame never sags—the adjustable tie rod keeps the frame true, always.

The heavy steel wheels with an extra number of staggered spokes, protected by the channel steel tire, are interchangeable, giving double wear on the ratchets.

The arched steel axles give the proper pitch to the wheels—the wheels

never pull in at the top and out at the bottom.

The dump rods are reversible, giving double wear at this important point. Tooth holder accommodates almost any desired number of teeth.

You can maintain the good working qualities of the John Deere Rake for years.

And from the operating standpoint, it is simple and easy to handle.

We want you to come in and see this better hay rake.

Home Transformations

That you can make yourself with paint, varnish or enamel

WE have established a service for women and men who want to do small jobs of interior painting, varnishing or refinishing of furniture, floors, bath rooms, walls, and bric-a-brac.

It's a free service. You simply tell us what you have to refinish, how finished now and what effect you want to get.

We tell you how to do it—in detail. What kind of material to use. What kind of brush. What method. Where to buy.

You can work transformations in home things that will surprise you. Old bedsteads, tables, chairs, woodwork, floors, bath tubs, etc. are old really, only on the surface. Paint, varnish or enamel them, and—they're new!

We make a special line of paints, varnishes, etc., for just this kind of home work—Fuller's "Home Service" Paint Products—for you to use.

They dry perfectly, spread easily and smoothly, and give every desired result. You'll be surprised to learn what you can do—once you've used them.

Our experience with paints and painting practice goes back more than 72 years. We are one of the country's largest manufacturers. Our experts make a study of specifying paints for every kind of use.

Follow Fuller's "Home Service" Specifications, and you'll get the exact effects you're looking for.

Don't think you can't because you haven't done this kind of work before. Let Fuller products and Fuller service show you that you can.

Remember—don't allow surfaces to rot. It costs less to paint them.

Where to Buy

Important that you get the right material so be sure to go to the right store for Fuller products. Cut out coupon below as a memo to direct you.

Write us now—a post card—for complete catalog of Fuller's Specification "Home Service" Paint Products, which tells just what to buy for the work you have in mind. Send full description of, and get our free advice relative to refinishing furniture, chairs, bric-a-brac, basketry, etc.
