Twice as rich as ordinary milk

CARNATION Milk is pure cows' milk evaporated to the consistency of cream by removing part of the water only. Its volume as whole milk may be restored by diluting with half water. It is hermetically sealed and sterilized to insure its purity for you and always of the same high quality—rich, sweet, and pure. Use it for every milk purpose—it keeps longer and goes farther. When a recipe calls for 1 cup milk use only ½ cup Carnation Milk mixed with ½ cup water. Your grocer has Carnation in large and "baby" sized cans.

Send for free Carnation Cook Book of 100 Tested Recipes. Carnation Milk Products Co., 508 S. Eighth St., Boise.

Carnation

"From Contented Cows"

Milk

The label is red and white

Have Home-Made Ice Cream This Summer

Four cups Carnation Milk, 1½ cups sugar, 1 cup water, 1½ tablespoons vanilla. Carnation Milk is always ideal for making ice creams of any sort, because of its purity and richness. Eggs are not needed. For plain vanilla ice cream, mix the sugar and a cup of the Carnation Milk together and let come to a simmering point; cook for five minutes in this manner; remove from fire; when cool, add remainder of milk and water, and the vanilla. Freeze. This will make about a quart and a half.

Keep Carnation Handy for Whipping

Place can of Carnation Milk in water and heat to boiling. Remove promptly, and thoroughly chill by placing can on ice. When cool, open can and pour milk into chilled bowl placed in another bowl filled with cracked ice. After milk has become thoroughly chilled, whip in regular way with ordinary egg beater for about five minutes. Sweeten and flavor if desired. Keep on ice until served. Carnation Milk will whip satisfactorily without heating, but better results are assured when above directions are followed closely. (Flavor if desired.)

We Make Paints, Varnishes For Women's Use at Home

THOUSANDS of women with keen home pride want to do their own painting and varnishing at home, and thousands do—with materials we make.

We make those materials especially for home use. You ask for "Fuller's Home Service" Paint Products.

And we maintain a special "Home Service Department" furnishing free information and detailed directions which will enable anyone to do his or her own work.

You simply describe the article, how finished now, and the effect you want to get. We tell you how, the kind of paint, the kind of brush—the things you need to know to do good work. You'll be surprised, delighted

to see the transformation you yourself can make in home things—furniture, floors, walls, woodwork, bric-a-brac, etc.

"Just a can of paint or varnish and a little work that's fun," works wonders.

Our knowledge of paints and painting practice has been gained through 72 years' experience. We are one of the country's largest manufacturers of paint products and make the very finest kind of goods.

Don't think because you've never done it that you can't do work like this yourself. Try it with our help. Just follow Fuller's Specifications and you'll get the desired effects.

Remember—don't allow surfaces to rot. It costs less to paint them.

Fullerwear

"The All-Purpose Varnish"

Adapted for any surface either inside or outside. The most durable varnish obtainable. Withstands interior wear and weather exposure. Does not scratch, peel, rub off or turn white. Dries overnight.

FULLERWEAR is Fuller's Specification for all-purpose varnishing at home—for furniture, tables, chairs, linoleum, etc. Boiling water cannot harm it, nor rolling furniture. Dries dust-free in four hours. Walk on it overnight.

W. P. Fuller & Co.
