FRUITLAND BENCH

Carpenter-Hunter

Charming in its simplicity was the pretty home wedding which took place Thursday, June 9th, at high noon, at the home of Mrs. S. Hunter, Minnesota Avenue, at which time her youngest daughter, Miss Olive Pearl Hunter, was united in marriage to Mr. Phil L. Carpenter, only son of Mr. and Mrs. L. J. Carpenter, formerly of Fruitland, now of Weiser. The beautiful and impressive ring ceremony of the Methodist Episcopal church, was recid by the pastor, Rev. George C. Todd.

Preceding the ceremony, the two little daughters, of B. B. Hunter, Helen and Laura, nieces of the bride, daintily dressed in pink and blue, unravelled the white streams of ribbon leading from the stairway to the south window of the parlor which had been beautifully decorated in pink and white roses and peonies and where the wedding occurred. The bride and groom, unaccompanied and to the strains of Mendelssohn's wedding march, played by Miss Rupp, came down the stairway and proceeded between the ribbons to the place where the pastor was in waiting. The beautiful and impressive ring ceremony of the Methodist Church was read by the pastor, Rev. George C. Todd. Miss Rupp played "Humoresque" while the happy couple received congratulations.

The reception rooms, parlor and dining rooms were beautifully decorated with the pink and white flowers and the color scheme of pink and white was carried out in the delicious four course wedding dinner given by the mother, Mrs. Hunter, to the thirty guests, the immediate relatives of both the bride and groom.

The bride, a young woman of sterling character, grown to womanhood in this community, a teacher in the public schools, was charmingly gowned in a simple crepe satin, trimmed around the bodice with a row of pearls. The groom has also grown to manhood in this vicinity and is well worthy of the bride. He is an overseas man. The happy couple left in the afternoon by auto for the Payette Lakes. Upon their return they will for the present reside with the mother of the bride.

School Notes

The Board of Education at its meeting Monday night of this week voted to call a special election June 23rd to vote on a proposition to build a \$45,000 school building for Fruitland. More room is needed for the grades and it was thought that a new high school could be built and thus give the rooms now used for high school to the grades.

At this meeting Miss Kline, of Middleton, who taught the sixth grade the past year, has been hired to teach that grade again. Mrs. Clemens, of Pocatello, is to teach the seventh grade and Mrs. Anna Carden, who taught at Huntington last year and who has had seven years experience in teaching has been hired for the eighth grade. This completes the teaching force for the coming year for the Fruitland schools.

Social Notes
