

TO PROMOTE INTEREST IN HOSPITAL PURPOSE

Meeting of All Women of Ontario and Surrounding District Called For Next Tuesday Afternoon At Hospital

To promote a greater interest in the work of the Holy Rosary Hospital, and to bring about a better cooperation between the institution and the citizens of the community, a meeting of all the women of the city and surrounding district who are interested in the care of the sick is called for next Tuesday afternoon, August 30, at 3 o'clock.

Since its organization here the hospital has grown very materially, and increased its efficiency to a marked degree, until now it is accredited as a standard hospital whose graduates are full registered nurses.

Beside training young women for the profession of nursing the hospital, through its established surgery and other advantages has been able, with the physicians and surgeons of this region to save many lives. It has brought to Ontario many people and is one of the city's most substantial assets.

Through the city at the inception of the movement to secure a hospital contributed largely to the fund which built the first structure, of late years the interest has not been maintained to the degree in which the Mother Superior believes is best either for the institution, or the city itself, which should be vitally interested in such an institution.

It has been proposed therefore that a hospital association, such as has been, or is being formed, in practically every city of America where hospitals are located, be formed here. In this manner the public can be kept in touch with the work of the hospital and know how it is being served.

The meeting Tuesday, and the association that is to be formed is for all the women, and men too, if they will join; and not for the members of any one sect.

"The hospital is a public institution," said the Mother Superior, in discussing the proposed association. "We take care of more patients who are not members of the church to which we belong than those who do. The work is entrusted to our care, and while the title is in our name, the work is public and for the public good. We want the public to appreciate that this is so, and to have a part with us in what we are trying to do for the suffering people of this region.

"With the co-operation of the public there are many things we can do which have not been done before, and we would earnestly request the co-operation and support of the generous public in this effort."

EASTERN BUSINESS CONDITIONS IMPROVING, SAYS H. C. BOYER

"Business conditions are improving," said H. C. Boyer, on his return Wednesday from a month's stay in the manufacturing and jobbing centers of the east and middle west where he went to buy goods for the Boyer Brothers firm.

"There is a gradual resumption of manufacturing, and there are plenty of buyers in the markets for goods. But the buyers are not stocking up very heavily. In fact some of the men are buying only a third of a half of a season's demands, expecting to return later to get the balance. It is everyone's opinion that it is not the best to stock up too heavily. As the result the manufacturers are making up goods only for those who actually order them.

"However, there is a general belief that business has reached the lowest ebb and is now returning, and that conditions will steadily improve."

Mrs. H. C. Boyer who has been ill for the past three weeks is able to be up and about again, though she has not been able to leave her home.

The Ontario Poultry Club, under the leadership of H. R. Wellman met at the home of W. L. Turner, day afternoon.

Idaho's Idea of What Reciprocity Is May Call for Reprisals From Oregon

The action of the officials of Payette county in Idaho requiring that the truck of the Davidson Grocery company which operates from the Ontario branch, to secure an Idaho license or to discontinue delivering Oregon goods to Idaho, merchants may call for reprisals which will not be rebuffed by some Idahoans.

While there are a few Oregon trucks which daily make trips to Idaho, there are many more Idaho trucks and vehicles which come to this side from Idaho.

POTATO KING OF CANYON COUNTY VISITS ONTARIO

"Potato" Smith, they call him. He comes from Canyon county, Idaho, where he was one of the pioneers in the potato industry, and he is one of the men who constantly seeks to advance the interest of potato growers, and also to locate lands where potatoes may be profitably grown.

On just such a trip he came to Ontario and Nyssa Tuesday, with a number of other Canyon county potato men. They visited at the big potato fields in the county and looked over a number of ranches which might be secured for potato growing.

Mr. Smith knows of the ability of this section to grow potatoes. His son-in-law, Mr. Davis, has one of the largest potato patches in the county, 40 acres of the W. J. Pinney ranch this side of Arcadia under the shoestring ditch.

The visit of "Potato" Smith and the other Canyon county potato men indicates that there will be more of potato growers of that section interested in Malheur county lands next year, and other years to come.

OREGON VARSITY ROMANCE STARTS WEDDING HELD HERE

J. D. Ingram of Ontario Trading Co. Claims Bride — Were Students Together At Eugene

A romance of the State University Campus at Eugene culminated in the marriage here last Saturday evening of Miss Pauline Coad of Dallas, and J. D. Ingram of this city, junior member of the Ontario Trading company. The wedding took place at the home of Mr. and Mrs. C. R. Emison, the service being read by Rev. D. J. Gillanders of the Congregational church in the presence of the Emison family, and Edmund S. Frazer.

The bride came to Ontario from her Dallas home on Friday and was the guest of her Delta Gamma sister, Miss Gladys Emison. She is the daughter of Mr. and Mrs. C. G. Coad of Dallas and was a member of the class of 1922 at the university. The groom, is the son of G. W. Ingram of the merchants' adjustment bureau of Portland, and was a member of the class of 1921 at the U. He is a member of the Phi Delta Theta fraternity.

Following the wedding the young couple went to the Bisset home, lately occupied by Mr. and Mrs. W. W. Letson.

MR. AND MRS. CAYOU SEE MAKING OF MOVIE-THRILLER

Mr. and Mrs. Paul Cayou returned last Friday from a month's outing during which they toured nearly 1700 miles. During their journey they visited Eastern Oregon and Washington, Northern Idaho and Western Montana, the Yellowstone and Southern Idaho. Near Poison, Montana they visited their daughter, Mrs. Steene Koupal. While in the Yellowstone they had the unusual experience of watching the making of a moving picture-thriller in which the heroine was bound near one of the giant geysers just before its eruption, and while the spouting stream rose the hero pulled the rescue act. So realistic was the scene that many of the hundreds of spectators screamed.

NEWLY-WEDS CHARIVARIED

A party of Ontario young people surprised Mr. and Mrs. Joe Ingram, Tuesday evening with a melody of tin cans and cow bells. The newly-weds escaped in a Ford Truck, but were caught. The bride was returned to her home and the groom left outside of town minus his shoes. Treats were in order after the groom found his way in and a very jolly evening was spent. Most of those present attended the University of Oregon or the O. A. C.

SENATOR STANFIELD HOME FROM LABORS AT WASHINGTON

United States Senator R. N. Stanfield arrived at Weiser from Washington early this morning and is expected to be in Ontario in a day or two.

BUSINESS MEN LEARN PROGRESS ON OWYHEE

Commercial Club Committee Reports On Work Done To Further Gigantic Project—Endorse Traffic Bureau Also

At a meeting of the members of the Commercial club last evening Secretary W. H. Doolittle told of the work that has been done toward securing the endorsement of officials for the construction of the greater Owyhee project.

He gave the report of the committee consisting of A. L. Cockrum, J. A. Lakness, P. J. Gallagher and himself, who went to Boise, Caldwell andampa to interest the officials of the commercial bodies in each of those communities toward securing funds for furthering the work. He also outlined the plan of the Owyhee Development league which is to take in charge the campaign.

Following his report and the elaboration upon it furnished by Mr. Cockrum and Mr. Lakness the meeting endorsed the work of committee and directors and assured them of the support of the individual membership.

On step in the campaign was recently made when Judge Dalton Biggs approved of the proceedings thus far taken for the formation of the district. This will be immediately taken to the supreme court for final adjudication.

Endorse Traffic Bureau The club also had before it the report of the committee which attended the meeting at Caldwell for the formation of the Idaho-Oregon Traffic Bureau and endorsed it. J. A. Lakness, George H. Ross and W. H. Doolittle were named on a committee to attend the final meeting to perfect the organization. This will be held at Caldwell Saturday.

Judge E. H. Test who was present at the meeting in a brief talk reviewed the early history of the Owyhee and told of the efforts made thus far to secure its construction.

Following the meeting coffee and sandwiches were served. Nearly 50 business men were present at the meeting.

FALL TERM OF COURT OPENS NEXT MONDAY

Several Criminal Actions, Including One Murder Trial on Calendar — Civil Actions Many—Indicate Long Term

The annual fall term of the District court will convene at Vale next Wednesday when the Grand Jury will start its investigation of matters which District Attorney Robert D. Lytle will have to present to it. Among other matters the Grand Jury will report on the killing of John J. Joyce by Ed Enright, a Juntura sheepherder. There will also be an investigation of the charges made by a number of Ontario boys against a negro named Bill Carter.

There is a long docket of civil cases to be heard by Judge Dalton Biggs and there is every indication that the term will be a long one. The following is the list of grand and petit jurors:

- Grand Jurors**
Ernest Wilson, Nyssa
F. W. Stacey, Vale
A. H. Boydell, Nyssa
A. G. Derrick, Jamieson
T. G. Bessup, Dead Ox Flat
Thos. F. Coward, Nyssa
W. J. Pinney, Ontario

- Petit Jurors**
Leonard Christenson, Ontario
A. H. Chester, Vale
Ike Deen, Beulah
John Boswell Big Bend
Harry Fairman, Riverside
Fred Cammann, Westfall
E. G. Harter, Ontario
J. B. Woodcock, Malheur
Frank L. Porter, Big Bend
Pearl Crane, Ontario
Lee Cockrum, Ontario
Frank W. Hall, Vale
Ruby H. Kelley, Jamieson
John F. Weaver, Ontario
V. V. Hickox, Ontario
C. I. Woodward, Brogan
William West, Nyssa
A. E. Nichols, Ironside
R. R. DeArmond, Vale
Alvin C. Spurlock, Riverside
Henry Griffin, Ontario
Clarence Rees, Ontario
Arden A. Reed, Brogan
Henry Fields, Nyssa
C. H. Morrill, Malheur
Chas. M. Van Buren, Dead Ox Flat
W. D. Stradley, Big Bend
A. B. Cox, Jamieson
C. C. Gossett, Ontario
E. M. Dean, Nyssa
Frank Gribbin, Dead Ox Flat

J. A. Lakness and family and Mr. and Mrs. D. C. Anderberg spent Sunday afternoon in Weiser.

Stanley Millikin, mail carrier on Ontario Rural Route No. 1 is now on his vacation and substitute carrier, Chas. A. Keefe, is delivering the mail on this route.

R. W. Jones was in Boise on

"CLEAN-UP" SQUAD IS COMING SEPTEMBER 2

Workers in Veterans' Bureau Will Spend September 2 and 3 Here Arranging Claims and Caring for Service Men's Needs.

On September 2 and 3, the "clean up" squad of the Veterans' Bureau from the Northwestern Division at Seattle, will be at the Moore Hotel, for the purpose of completely cleaning up all cases of claims against the government, held by any of the ex-service men. In the party will be a doctor, and other officials with authority to act and getting all matters adjusted.

Including in the classes of claims which may be considered by these officials are the following: Compensation, insurance, re-installment of insurance; vocational training, medical care and treatment, etc. This visit is part of the campaign started by Col. Forbes with the assistance of the American Legion and the American Red Cross. Any one who knows of any of the ex-service men who are entitled to assistance who have a claim will do him a service by informing him of the coming of the "clean-up" squad.

CELEBRATED HAWAIIANS AND FEATURE PICTURE AT MAJESTIC

Every lover of Hawaiian and popular American music should hear and see Charles Kaimama Dimond and his company of native entertainers at the Majestic Saturday night in "A Night on Paradise Island." Consisting of popular American airs and songs using a variety of musical instruments, lends a spice and fascination such as has never been presented in this class of show before.

Mr. Dimond is a whole show in himself, having a wonderfully pleasing personality, a baritone voice, plays any number of musical instruments more than well and excels all others on the steel guitar. In addition the feature picture shown will be William Farnum in "Drag Harlan" in which the famous star is shown as the parlo two gun wizard. The picture is taken from the story of the same name. You'll never see another picture like "Drag Harlan" but you will wish that you could see a thousand.

ONTARIO FLOUR MILL ADDS NEW ADDITION

New Institution Now Turning Out 40 Barrels of Flour per Day— Finds Quantity of Marcus Wheat for Blending Purposes.

Ontario's flouring mill is now in operation. The new institution in the south end of the city is working two shifts daily and is turning out 40 barrels of flour per day.

At first the local millers had some difficulty in securing enough hard wheat with which to blend with the soft wheat generally produced in this region. This however was overcome when a large quantity of Marcus wheat which weighed 65 pounds per bushel was located at the Jacques ranch, and now a high patent flour is being manufactured.

To care for the increased stock and to handle the grain coming in, additional space was added to the mill, during the past week and now the management is preparing for a steady run of several months.

RIFLE CLUB HOLDS ITS FIRST SHOOT ON IDAHO GUARD RANGE

The Ontario Rifle club whose members recently received arms and ammunition from the federal arsenal, held its first meet Sunday at the old range of the Idaho National Guard on Whitley Bottom. The courtesy was extended by the Idaho men through the good offices of Major Lewis and Mr. Gladish.

George Reihesen, range officer proved the most adept of the marksmen with a total score of 33 out of a possible 50, at 200 yards standing. Jack Dillard's high score was 28, while Len Stowell hit 25 on his second string. George Lutes, shooting for the first time scored a nine and an eight.

For the present the boys are to use the Idaho range until they can get sufficient funds to equip a range on this side of the river.

PAYETTE ODD FELLOWS VISIT WITH LOCAL LODGE

Some 40 members of the Odd Fellow lodge of Payette came to Ontario last Saturday evening to pay their fraternal respects to the local followers of the three links. After a number of interesting talks on Odd Fellowship, a light luncheon was served and a general social hour spent.

MISS RUBY H. KELLEY IS FIRST WOMAN JUROR CALLED

To Miss Ruby H. Kelley of Jamieson goes the honor of being the first woman juror called to pass judgment in the trial of litigation in Malheur county under the provisions of the woman's juror law which the people enacted at the election this spring. Whether or not Miss Kelley will exercise her woman's prerogative, and decline to serve on account of her sex, is not known. If she does not avail herself of the provisions of the law visitors at the term of the district court which opens next Monday will have the privilege of seeing question of law and justice determined in part, at least, by a woman.

HARNEY COUNTY RANCHERS READY FOR IRRIGATION PLAN

A Formal, Informal Election Held Last Saturday and Sunday Determines That Ranchers Want All Land Cared For at Once.

A. R. Olson, superintendent of the Pacific Livestock company's ranches in Harney county was in Ontario Tuesday on business. While here he reported the results of informal ballot taken by the directors of the Harney Valley Irrigation district to learn the temper of the people.

The election while not a legal one had all the formality of such an occasion. Ballots were printed with three alternative proposals as follows:

Do you favor irrigation development: yes or no; If you are in favor of irrigation development which of the following plans do you prefer.

Lower dam, 90,000 acre foot capacity, with distribution system and river channel improvement, estimated cost \$1,850,000.

Lower dam 140,000 acre foot capacity with distribution system and river channel improvement, estimated cost \$2,350,000.

Silvies Valley Dam, 90,000 acre foot capacity with distribution system and river channel improvement estimated cost \$1,350,000.

Estimates above are based on the following figures:
Lower dam 90,000 acre feet \$1,000,000
Lower dam 140,000 acre feet 1,400,000
Silvies Valley dam 90,000 acre feet 500,000
River Channel Imp. 100,000
Distribution:
Main canals 446,000
Laterals 240,000
Right of way 50,000

The vote on these propositions were: in favor of irrigation development 90 yes, 15 no; in favor of lower dam with 90,000 acre capacity, 35; in favor of dam with 140,000 acre capacity 52; for Silvies river dam 5.

As the result of this election the feeling is confirmed that at the regular election for the project the greater Harney project will carry by a large majority.

Eugene Wayt, son of Mr. and Mrs. Geo. Wayt was host to a party of little folks last Monday afternoon in honor of his 10th birthday. About twenty five young folks gathered at the Congregational Church and were taken in cars to his home as a surprise. Refreshments were served and a very pleasant afternoon spent. Mrs. W. L. Turner and Miss Elinor Randall left this morning for Boise.

Tom Turnbull of Crowley, Oregon was in Ontario, Tuesday on a business trip.

Miss Iona Luehrs is spending the week visiting in Payette.

G. W. Haw spent Tuesday in Vale, on business.

D. A. Smyth of Ogden Utah and son W. D. Smyth are in town visiting Frank Smyth of this city.

Mrs. W. A. Robertson of Drewsey visited at the home of Mrs. E. B. Anderson, several days this week.

G. A. Turman and Mr. and Mrs. Elmer Lawrence of Unity arrived in Ontario, Wednesday and expect to spend the winter here.

Miss Maurine Jones returned Wednesday from her vacation at Walloa Lake.

Miss Cecil Logan of Brogan, Ore., spent the week end with Miss Dorothy Turner.

Mrs. Guy Stingle of Emmett, Ida., visited Sunday with Mrs. Leland Ready.

NYSSA WOMAN VICTIM OF AUTO ACCIDENT

Mrs. Myrtle Cowins Almost Instantly Killed When Car Turns Turtle In Barrow Pit At Edge Of Nyssa—Jury Charges Reckless Driving

Mrs. Myrtle Cowins, age 35 was almost instantly killed when the car in which she was a passenger turned turtle in the barrow pit beside the highway just beyond the turn on the main street of Nyssa, early Tuesday morning. She is survived by two sons, aged 12 and 15 years, and her father, George Phillips and a sister all of Nyssa.

The car, a big Cadillac Chummy roadster, was being driven by Frank Smyth of this city whose other guests on the ride from Ontario to Nyssa were, Berwick B. Wood and a Mrs. Andy Swan of Nyssa. Mrs. Swan was slightly hurt and was unable to attend the coroner's inquest held Tuesday afternoon at Nyssa. Smyth and Wood received only minor injuries.

According to the testimony of all of the survivors as presented at the coroner's inquest, the car when it approached Nyssa on the John Day Highway was going at from 25 to 35 miles per hour. Mrs. Swan gave the speed as even less than that, while Mr. Smyth placed the speed at about 25 miles. Mr. Wood said not more than 30 or perhaps 35.

None of the survivors of the fatal trip could tell exactly what happened, it all occurred so quickly. They were agreed however on the main points which were: that the car first got at least two wheels off the grade on the right hand side of the road and then swerved across the highway and into the barrow pit on the left hand side, then when Mr. Smyth tried to bring it back onto the highway again it turned turtle.

Mr. Wood said that he believed that he saw Mrs. Cowins rise in her seat, in the front of the car, and attempt to jump, just as the car started to turn. All of the occupants were caught beneath the car. Smyth was first to extricate himself, followed by Wood. Together they lifted the car and assisted the women to get out. Mrs. Swan was able to walk and went to her home. Smyth stayed with Mrs. Cowins while Wood called for Dr. J. J. Sarasin. When the doctor reached the scene he found Mrs. Cowins dead. Death he said was due to a fracture of the skull and of the neck.

Mr. Smyth then called for an undertaker and the body was brought to the Peterson chapel. He then went to see Mrs. Cowins' father and following that notified District Attorney R. D. Lytle of Vale and asked that an investigation be held.

At the inquest called by Coroner H. O. Fay, the examination of the witnesses was conducted by District Attorney Lytle. Mrs. Swan was too ill to attend the inquest and the jury and officials went to her home to take her testimony. The witnesses called were Messrs. Wood, Smyth, Mrs. Swan, Dr. Sarasin and Marshal C. W. Reiberger of Nyssa. Jurors were: J. N. Sheldon, Jesse Thompson, L. B. Haymaker, S. D. Goshert, Frank Luke and C. C. Cotton.

VALE JUSTICE DISMISSES CASE AGAINST SCHNABLE

Justice of the peace Jas. Rogers at Vale Wednesday dismissed the charge by Besse Briggs of Caldwell alleging a statutory offense by William Schnable of the Jordan Valley country Schnable who is one of the best known stockmen of the southern end of the county, a pioneer of the early days, employed the woman on his ranch as a cook, and it was not until she quit the ranch and returned to her home that she instituted the action. She remained at the ranch a week after the time she alleged that the offense was committed, and left because Schnable criticized her work. After listening to the testimony Justice Rogers dismissed the case.

Mrs. L. B. Self of Albany, Oregon, stopped off in Ontario to visit her sister, Mrs. John Bervin last week. Mrs. Self is on her way to Colorado. Miss Mildred Koenig of Boise is visiting Miss Alice Bervin this week. Judge and Mrs. G. L. King returned Sunday from a trip to Stark-ey Springs.

Community Exhibit Space Being Sought For Twelfth Annual County Exhibition

In greater number than is usually the case at this time of the year, space is being sought by exhibitors to the annual county fair. V. V. Hickox, secretary of the fair reports that already both community and individual farm exhibitors are asking for space. Beside these there is an unusual demand on the part of merchants for space in the main building.

Over on Oregon Slope the people are planning their community fair for the week preceding the county fair and arrangements are being made for the big show which they will have to place in Fair for the community prize, and the photograph which the Ontario Pharmacy has offered to the community winning the big honor.

Never before has there been a crop year in which so many varieties have been grown on such a large scale, and since the prizes offered this year are greater than in the past, and since the admission to the fair ground itself is free it is anticipated that larger crowds than usual will visit the exposition. Carnival men, and men with concession have been importuning the management for space and arrangements have been made for the return of the Kelley's comedians and a number of other carnival features have been assured so that there will be something doing all the time for the visitors.
