## The most precious thing in the world

Think what this world would be without confidence that the sun would rise tomorrow!

Without confidence in the order of things, in our fellow men, in our institutions, chaos would reign in the world. There would be no security, no progress, no happiness. Confidence is essential to all that is worth while.

Years of satisfactory experience with Red Crown gasoline have given the motoring public confidence in "Red Crown." They know that with "Red Crown" in the tank they have high-quality motor fuel, and that from it their engine will deliver its maximum power and mileage.

"Red Crown" is available at Standard Oil Service Stations, garages, and at other dealers.

Look for the Red Crown sign before you fill.

## ARCADIA NEWS NOTES

Miss Ruth Barrett was painfully but not seriously hurt when the car in which she was riding collided with another car on the boulevard. She was thrown into the windshield and received a small cut on the forehead and her right arm was very badly cut, eleven stitches being required to close the wound. Alden Wilson, of Nyssa, and Miss Ruth Dalton of Nampa, were in the car with her but neither of them were injured.

Mr. and Mrs. Emmett Steel and little daughter, of Caldwell, were visiting Mrs. Steel's sister, Mrs. Frank Edwards one day last week.

Mr. and Mrs. Thomas Claggett, of Ontario visited the Wolfe and Quinley families at the Claggett ranch Sunday afternoon a week ago.

Mr. and Mrs. Albert Brasewell of Fruitland visited Mr. Brasewell's sister and family, Mr. and Mrs. Chester Lackey a week ago Sunday.

Mrs. Stella Golden and two children of Lebanon, Oregon are visiting Mrs. Golden's parents, Mr. and Mrs. J. T. Long.

Miss Ruth Dalton of Nampa who has been visiting with Miss Ruth Barrett for some time has returned home.

A young Nazarine lady of Ontario preached at Arcadia Sunday afternoon and quite a large crowd was out to hear her.

Mrs. Herbert Lackey, of St. Anthony, Idaho, who with her three children, has been visiting with her parents, Mr. and Mrs. J. T. Long, has returned to her home.

Mrs. Jim Smith, of Ontario is spending a few days with her brother and wife, Mr. and Mrs. Chet Lackey. Ira Dail was a Nyssa visitor last week.

Mr. and Mrs. Dave Duger of Huntington visited Mr. and Mrs. Clyde Long for a few days last week.

School opened the 12 with Miss Elsie Poole and Miss Dorce Dearborn as teachers.

Little Miss Ruth Wolfe has been on the sick list.

This is quite a busy community at present; with prune picking, potato digging and laying. Mr. Mackey will start filling the two big silos on the Hunt ranch next week. Chester Lackey got out another car load of potatoes Tuesday. Mark Penney is up early and late rushing his bumper prune crop to market. Grain is all threshed and everyone reports a good yield. Everyone you meet seems in good spirits and old man Gloom has not been seen in this neighborhood for some time.

## VALLEY VIEW NEWS

School began September 5, with more pupils enrolled than any previous year. Miss Halstead from St. Johns, Wash., is in charge of the upper room, while Miss Margaret Griffin begins her third year in the primary. Owing to the crowded condition children who do not live in the district but have been attending here were compelled to go elsewhere, and then every seat is occupied in both rooms.

Miss Jessie Griffin, who taught at Valley View, last year, will leave in a few days for Cheney, Washington, where she will attend the state Normal this winter, completing the course during the summer.

Some in this section are still busy this week with threshing. Albert Bellale, G. W. Dean, Holden Clement and Chas. McConnell are haying.

Misses Margaret Griffin and Halstead dined with A. F. Burr's last Tuesday. A very pleasant evening was spent.

"Grandma" Rees fell about a week ago and broke her arm. Her son Stroud came down from Emmett a few days later for a brief visit.

Owing to Rev. Luscombe moving to Wendell, Idaho, he was unable to preach at Valley View Sunday afternoon but a goodly number attended the Sunday School.

We understand an Idaho firm who raise and market potatoes has rented Charles McConnell's place for a period of three years and will plow up the alfalfa fields and plant potatoes. Their field man called on A. F. Burr and after inspecting his potatoes pronounced them first-class in every respect, being free from disease or worms.

Notices have been posted for a meeting to vote for bonds to the amount of \$10,500.00. The polls will be open in the afternoon at the school house. The plans for the proposed building are on exhibit at the Van Petten Lumber Yard. If you are interested in the kind of school house you are building go there and look these plans over.

J. A. Lakness, general manager of the Malheur Home Telephone Co. is planning to hold a meeting at the school house in the near future to discuss the question of telephones with the ranchers.

The Boys' and Girls' Clubs are busy getting their exhibits ready for the Fair and of course each one is anxious to take the prize.

It goes without saying that the popular game at school now is football; you need only to look at some who have skinned noses and watch others limping to be sure of it.
