A civil service examination was held in Ontario Saturday of last week for postmaster at Nyssa. Miss Elizabeth Thompson, the present Nyssa post mistress was the only one taking the examination. Chas. K. Homan, clerk in the Ontario postoffice, who was on his annual vacation, had charge of the Nyssa postoffice, while Miss Thompson was in Ontario for the examination.

Francis Zimmerman, auxiliary clerk in the Ontario postoffice, left this morning for Pendleton to attend the Round-up. From there he will go to Portland where he will spend the rest of his vacation.

Mrs. Carrie B. Aker and her daughter and son-in-law, Mr. and Mrs. H. C. Gabauer, have moved to Boise.

Ralph Oyer returned home last Tuesday, after spending the summer in California. Before returning home he made a trip to Kansas City to visit his brother Clarence Oyer, formerly of Ontario.

Rev. W. F. Cochran has his home filled up with the teachers for the winter term. Those who were lucky enough to find rooms with Mr. and Mrs. Cochran are, Miss Bayley, commercial teacher, Miss Woods, domestic science, Miss Dunstone, music, Miss Laura Wherry, grade teacher and Mr. Lathrop, high school mathematics.

Mrs. Joe Lingle, has as her guest this week her cousin, Mrs. Della Michaud of Denio, Nevada.

Mr. and Mrs. John Huber of Pontello were guests of Mr. and Mrs. Paul Cayou from Friday to Wednesday.

Mr. and Mrs. Ivan Oakes have been in Jamieson since the first of the week.

Mr. and Mrs. Irving Hazeltine and small son Billy of Canyon City who have been visiting friends in Ontario this week left today for Burns.

Miss Alma Homan returned the last of the week from a trip into the mountains with friends.

Judge E. H. Test, J. F. Joyce and Fred Test went duck hunting the first of the week at Jordan Valley.

Otto Blackaby came down from Jordan Valley the last of the week to enjoy one day of the fair.

Mrs. Robt. Lytle who was a guest of Mr. and Mrs. Ivan Oakes last week returned Saturday to her home in Vale.

Dr. R. O. Payne, D. W. Powers and W. G. Pinney left today on a hunting trip up above Ironside.

Miss Ella McFall entertained six of her girl friends at a theatre party Saturday evening in honor of her thirteenth birthday.

MASTERTSON-ANDERSON

At high noon yesterday at the home of the bride's parents, Mr. and Mrs. James H. Anderson, Miss Helen Anderson of this city became the bride of Donald Earl Mastertson of Juntura. Only the immediate relatives and close friends of the bride and groom witnessed the ceremony. Rev. Young of the Methodist Episcopal church read the service.

The bride was attended by her sister Miss Urba Anderson while Ralph Mastertson, brother of the groom was his attendant. Following the service a wedding dinner was served and the young couple left for Pendleton to witness the round-up following which they will go to Portland and other cities for a honeymoon trip, and be at home after November 1 at Juntura, Oregon.

The bride who has lived in Ontario for a number of years and is a graduate of the Ontario High School with the class of 1920, is a native daughter of Eastern Oregon, having been born near Drewsey in Harney county. Following her graduation she taught in the schools of that section and has a host of friends throughout this section of the state.

The groom is the son of A. L. Mastertson of Juntura and is a native son of this section. He is now cashier of the Bank of Juntura.

VALLEY VIEW NEWS

Ten carloads of prunes have been shipped from the Barrow's & Ordway Ranch and this week the pickers are busy with apples. Twenty-five persons are working in the orchard while six sorters are busy in the packing-house. The first car of apples was being loaded Tuesday which will be shipped loose in the car.

Miss Agnes Amidon is helping in the fruit picking at the Barrow's and Ordway ranch, also the Misses Alben, who have been visiting their brother, Mr. A. R. Alben. A sister of Frank Henry, also Mrs. Henry's sister, both from Nampa, are picking fruit.

Quite a number of the ranchers have joined the Grain Growers Association and have pooled their wheat for shipment to that concern at Portland. At present Will Downs, Charles Amidon and Mr. Sundquist are busy loading a car at Cairo. Those who have joined must sign up for a period of six years. A sample of the grain is sent to their Spokane agent and when approved the grain is shipped to Portland. Upon receipt of the Bill of Lading the Association pays the shipper 70% of the market price and the wheat is held until May when the shipper is paid the balance at the increased market price, giving them whatever raise there is in the price. The cost of shipping from here to Portland is about 26c per bushel.

Mr. and Mrs. G. W. Dean left last Wednesday for a trip to the Coast, going first to Spokane, then to Aberdeen where they formerly lived and then to Gresham, Oregon where they will visit the Mr. Von Readen's before returning. During their absence Miss Dorothy and Master Byron are staying in Ontario with their grandmother, Mrs. LeRoy, and attending school. LeRoy Dean is at home and attending the Valley View school.

Tommy Johnson, who has been helping Clarence Rees the past year, has been looking at the Harry Plummer place with a view of purchasing it. He is one of the young men who grew up in this vicinity and it would help build up our neighborhood if he and other steady young men would locate here with their families.

Don't forget the meeting at the school house, September 27, from 2:00 to 7:00 P. M. to vote for \$10,500.00 bonds to be used to purchase three acres of ground and build a new school house.

Clarence Rees has lost his foot (wooden one). We are glad to say he is able once more to use his own foot with the aid of only a cane.

REPRESENTATIVE OF GRAIN ASSOCIATION IN COUNTY

"Co-operative Oregon Grain Growers Association is part of the northwest division of the United States Grain Growers Cooperative Association, Incorporated."

"Membership fee of \$10.00 entitles you to all privileges of this association for the term of the contract which is six years. This is the only fee you have to pay. The contract and all details will be explained by Mr. Barnes."

All wheat will be pooled, according to variety and grade, and each member will receive the average price of the pool, in which his wheat is. For instance, should 50 per cent of the Dicklow No. 1 pool sell for \$1.00 a bushel net, and the other 50 percent for \$1.20 net, every member having wheat in Dicklow pool would get the average price of \$1.10 per bushel. Final settlement on the Dicklow pool for example must be made by May 31. But as the pool or any part of it is sold, additional advances over and above the original advance of 70 per cent of the Portland price will be made immediately following the sale, and following the sale of all the Dicklow pool, all members having wheat in the Dicklow pool will receive final and complete settlement."

Wheat will be delivered to the warehouse where you have been accustomed to delivering it in past years. From then on, the association will have full responsibility for the wheat. They will pay all storage, insurance and grading charges. The association advances 70 per cent of the market price upon the wheat when it is hauled. In the Northwest over 40,000,000 bushels of wheat will be marketed thru the association this fall. This is estimated to be two-thirds of the northwest.

The Northwest Wheat Growers Association has over 15,000 members in Oregon, Washington, Idaho and Montana. The membership in Oregon is approximately 3500 and growing very rapidly. The following are some of the advantages to be gained by co-operative selling:

"Larger quantities handled, resulting in lower handling expenses.

"Fair grading.

"Lower expenses in selling.

"Extra profit from blending low and high grade wheat.

"Market will be stabilized because the farmer is not compelled to dump his grain at harvest time.

"The grain is insured.

"The financing of the cooperative association will be done as far as possible through the local banks."

The War Finance Corporation has recently loaned the Northwest Wheat Growers Association, ten million dollars which will be used to make advances where the local banks are unable to do so.

Mr. D. L. Barnes will be at the Moore Hotel where he can be communicated with.

A. M. JOHNSON PASSES

Prominent Rancher of Oregon Slope Dies Suddenly Following Operation for Intestinal Trouble—Lived at Nyssa For Years

A. M. Johnston, one of the most prominent ranchers of the Oregon Slope section of Dead Ox Flat died at the hospital here at 6:30 P. M. last Saturday following an operation for intestinal trouble.

Mr. Johnston was apparently in the best of health on Saturday, September 10th and had attended to his affairs as usual until Tuesday, September 13th, when he was suddenly taken ill. He was hurried to the hospital where an operation was decided upon as the only means of saving him. At first apparently he rallied from the shock, but on Tuesday night he started to sink gradually but he again rallied and hopes were entertained for his recovery but he again began to sink and died Saturday evening.

Mr. Johnston leaves a wife and four children, all boys. Mrs. Johnston is a sister of E. M. Dean of Nyssa. Mr. Johnston was born in Iowa 41 years ago and came west 12 years ago, settling first at Payette. Later he moved to Nyssa where he bought a big ranch which he sold two years ago, following which he moved to Oregon Slope where he has lived since. Shortly after moving to the Slope he was elected a director of the Payette-Oregon Slope Irrigation district and has taken a prominent part in the life of the community. He was selected by the land owners through whose property the Old Oregon Trail runs across the Flat to represent them on the board of appraisers and was just two weeks ago named as one of the viewers of the land to be condemned for the entrance of the road into the city.

The funeral services were held from his home in Oregon Slope and interment was made in the Riverside cemetery at Payette. The Rev. Clyde Walker of Payette and Rev. Young of Ontario officiated.

Mrs. Vernon T. Herrett and son Vernon Jr. registered at the Moore for Fair week.

John Deere Built It For The Fordson

We can furnish you with the plow that John Deere built especially for the Fordson Tractor.

It is made of New Process John Deere steel.

That's why it is extra light and strong.

It's the lightest tractor plow you ever saw—weighs less than the average horse-drawn sulky.

It is tremendously strong—beams are guaranteed not to bend or break—all frame connections are hot-riveted—no loose joints—no give anywhere—it's the plow you can depend on to stand the strains of utilizing Fordson power under all plowing conditions.

Because of light weight and clean scouring qualities, it pulls

extremely light. It's a real fuel saver. See it at work once, and you will appreciate how light it pulls.

Its correct line of draft, when hitched to the Fordson assures ideal penetration.

Its genuine John Deere bottom scour, wear well and make good seed beds.

Its quick detachable shares are strong and close fitting. Loosen one nut to remove a share; tighten the same nut and the share is on tight.

Its simple, strong power lift works perfectly. Lifting mechanism moves only when the plow is being raised or lowered—no useless wear.

If you are planning to buy a Fordson be sure to see this plow. Ask us to show you the John Deere No. 40—the plow that fits the Fordson.
