At Last!
I can do my work the easiest way.

THE MOMENT you put a new Hoosier in your home, your kitchen work is cut in two. The Hoosier—because of its superior arrangement and complete equipment saves miles of steps each day. It enables you to sit down at your work, and literally hands you each tool or utensil exactly when you need it.

You will never know how easy kitchen work can be until you actually sit down before Hoosier's big, uncluttered work-table and see how naturally every needed article comes to your hand.

Come in at once, and let us show you how helpful the Hoosier is. You'll not want to go another day without it. And there is no reason why you should—because as small a payment as \$1.00 puts the Hoosier in your home—at once.

White and New Home machines, machines that will be a pleasure to use. "Pay as you sew." Convenient terms can be arranged,

HEATERS and RANGES

Our line of Heaters and Ranges will interest you and we can save you some money on either new or used stoves and ranges.

And NOW Brunswick Records

WE are introducing, after years of preparation, Brunswick Records. They, too, are unlike any you have known before. They bring a new principle in phonographic recording. Each Brunswick Record is interpreted by a noted director or an accomplished artist technically trained in the art of recording. Thus we unite the talent of the artist with the genius of the composer. This is a step which you will appreciate once you make comparisons.

We feel sure that you will recognize the betterment brought out by this idea. We want you to judge Brunswick Records by those same severe tests with which people have judged Brunswick Phonographs. And that is by comparison. We leave the verdict to you.

Remember—Brunswick Records will play on any phonograph with steel or fibre needle.
