**ONTARIO'S GREATEST NEED TODAY IS SIDEWALKS**

The appearance of Ontario as a city is injured by the lack of sidewalks, good durable Concrete sidewalks. The value of many good pieces of property is lessened because there are no walks in front of them.

Is This Not True?

The only manner in which this condition can be remedied is to have the needed walks built. There is no need for delay on account of high prices. Concrete walks last for many, many years, they have not increased in cost as have other materials. They last longer and are cheaper and better than board walks.

**WE CAN BUILD YOURS NOW**

If you want a walk, if you need a walk, if you would have Ontario a better looking homelike city, let us
