PETITION IN BANKRUPTCY
Dr. H. H. Whitney last week filed a voluntary petition in bankruptcy for the benefit of creditors. This action was taken following the decline in the price of sheep of which Dr. Whitney operated a band. The assets filed while nearly covering the liabilities are such that considerable shrinkage is anticipated.

STATE SUPERINTENDENT OF NURSES VISITS HOSPITAL
Miss Grace Phelps, State Superintendent of the Nurses Training School of Oregon, visited the Holy Rosary Hospital last Friday. While here she held the State Board Examinations in the Nurses Home. Miss Phelps' impressions of the hospital here and the training school, were of the very best. She was really very much surprised to find such a fully equipped hospital and fine training school. She expressed the opinion that Ontario people were wonderfully blessed with such a fine institution.
