ONTARIO HIGH SCHOOL WEEKLY NEWS BUDGET

Written and Edited by the News Writing Class of The English Department

A pleasant surprise was enjoyed last Wednesday evening by members of the cast of the Junior play, when they were treated to a delicious luncheon served in the domestic science laboratory.

At assembly Wednesday, November 9, Reba Reed gave an excellent talk on Good English and its advantages. She held the attention of the assembly throughout her talk and received a very hearty applause at the end.

Miss Cabeen visited friends in Midvale Friday.

The Monday morning assembly period was devoted to the selling of tags. The price of the tags is ten cents. The money obtained from the sale of these tags will be used to finance the pep campaign.

Mr. Lathrop spent the week end with his parents at Emmett.

Saturday, November 12, Modest Moore gave a freshman party at her home. Games were played during the evening and at a late hour dainty refreshments were served. The freshman all reported a good time.

Mr. Hughes, William Wisemen, Joe Kanyid and Eugene Shay attended the football game Friday, November 11 at Boise between Wyoming and Idaho. They went for the purpose of obtaining some pointers but Mr. Hughes reported that none were in evidence as it was a very poor game.

The Pep Club met Saturday night November 12, at the high school. A serpentine was formed, which wound thru the town stopping at each crossing to give some of the High School Yells.

Inez Cary is leaving Tuesday, November 15, for Spokane where she will make her home.

The girls who are going out for

basketball will practice every Tuesday and Thursday at the high school gym. Later they will have the use of the opera house.

The assembly period Tuesday morning was given over to singing "pep" songs and practicing yells to be used at the O. H. S. - Nampa game Friday.

November 11, the O. H. S. Band played for the Legion parade. They played the Star Spangled Banner while the flag was being raised. The boys showed considerable improvement.

Thursday morning at the assembly Miss Conway in her usual entertaining manner rendered two vocal selections, "When Song is Sweet" and "Reveries". She responded to a hearty encore with "Faggy Dew."

Friday, November 18, occurs the last football game of the season which is to be with Nampa. It is predicted that this will be the hardest fight the boys have had, but they are ready for it and have the strong support of the school and town.

The total enrollment in the Ontario schools is 724. Of this number 266 are enrolled in the high school.

At the beginning of this week thirty new books were placed in the high school library.

Thursday morning Mr. Homan gave an interesting talk on Advantages of good English in Business.

Friday at 7:30, November 18, the Parent Teacher Association will have their first regular meeting, a program is arranged and the orchestra will play.

Mr. Boucher left last Thursday morning for Boise to attend the Court Martial of the R. O. T. C. of the Boise High School.

Adding Small Buildings to the Farm is like Adding Rooms to the Home

Isn't it true that for every fifty dollars you spend improving a home or farm you value it a hundred dollars more? You find it more convenient, and it is really worth more.

Complete the Farm With Small Buildings

A well planned chicken house soon pays for itself in eggs. A healthier flock lays more eggs. Your tight roofed implement shed keeps the rust off the machines and lengthens their life. A good stable keeps the cows in better shape, they give better milk, and your stable work is easier. A good garage protects the investment in motor car and truck.

If you would like to add a useful room to your home, glass in the porch with our ready-made windows—moderately priced.

The service that goes with Boise Payette materials makes them more desirable—prompt delivery, accurate estimates, sound advice. Have a talk with our sales manager about improvements now; before winter sets in you can have new buildings up.
