AN ABSTRACT IS A HISTORY OF LAND TITLE

An abstract of title is a short methodically written history of the title to a designated tract of land. It consists of a summary of the material parts of every recorded instrument of conveyance which affects the title, together with a statement of all liens and incumbrances to which the same is subject.

The object of an abstract is to afford the prospective purchaser or mortgagee of real estate a convenient means of ascertaining the condition of the title.

The cautious man will not accept a deed or a mortgage on real estate unless it is accompanied by an abstract prepared by a reliable firm.
