

Society

The Carnation Club met Monday evening with Mr. and Mrs. E. A. Fraser.

The Tuesday Bridge Club met with Mrs. E. H. Test this week. Mr. and Mrs. D. M. Taggart have cards out for a series of Bridge parties this week and next. The first of the series will be held this evening, the second tomorrow evening and the last on Monday evening. Mr. and Mrs. Taggart recently have taken the apartments at the Rusk home.

The Wednesday bridge was entertained this week by Mrs. J. Fortier. Mrs. R. W. Jones was the hostess for the Monday bridge this week. More than 100 members of Star Chapter O. E. S. and members of Acacia lodge gathered at the Masonic hall last Saturday evening to attend the reception given by the members of Acacia Lodge in honor of Mrs. Minnie C. Letson, worthy grand matron of the Grand Chapter of Oregon and Mrs. Myrtle Peterson, grand Esther and the members of Star chapter.

In welcoming the honored guests, Ralph Dunbar, master Acacia lodge told of the desire of the Masons to honor not only the particular officer who have reached a high station in the Grand Chapter, but also the former worthy matrons and members of Star chapter who on so many occasions have contributed to the events held by Acacia lodge. On behalf of the Lodge he then presented Mrs. Letson and Mrs. Peterson each with a beautiful bouquet of red and white carnations, and to each of the past worthy matrons was presented a corsage bouquet of the same flowers.

Following the presentations the Masonic quartette, Messrs. Quast, Allen, Trozell and McDowell sang two numbers as did Mrs. David F. Graham and Mrs. Peterson. While the main event of the evenings program was an eloquent lecture on the history, significance and philosophy of Masonic teaching by Sherman

Coffin of Boise, past grand master of the Grand Lodge of Masons of Idaho. Following the lecture a dinner was served in the banquet hall.

Buy liquid heat—It's cheaper

You eliminate all waste of heat when you use Pearl Oil in an oil heater. Pearl Oil makes any good oil heater most economical to operate because it is clean-burning and every drop delivers real heat—just when and where you want it.

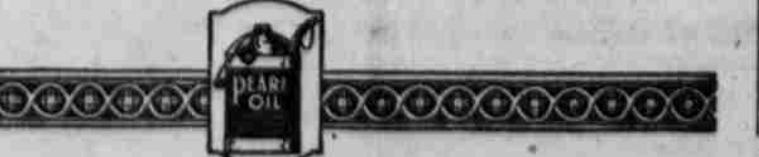

And it's most convenient to buy heat the Pearl Oil way—no ashes to lug—no dirt—no smoke—no odor.

Pearl Oil is refined and re-refined by the special process developed by the experience and resources of the Standard Oil Company.

Sold in bulk by dealers everywhere. Order by name—Pearl Oil.
