

SCHOOL NOTES

Guy Secoy is back in school after a serious attack of blood poisoning.

Wednesday morning, Feb. 1, Mr. Young, boys' secretary of the Y. M. C. A., spoke in assembly and invited the boys of the O. H. S. to the conference which is being held in Boise.

Class group pictures were taken Thursday during assembly.

The boys' second basket ball team accompanied by Mr. Thomas, went to Payette last Friday night and were defeated by the Payette team with a score of 27 to 4.

Thursday morning a student body meeting was held during assembly with James McCright, student body president, presiding. At this time a primary election for Queen of hearts for the valentine party was held, Ethel Conway, Alice Dorman, Lola Everett and Reba Hood receiving the highest number of votes.

The following morning the student body cast votes again; the ballots resulting in the election of Reba Hood. Reba is busy these days selecting her king and court. With such a gracious queen reigning over the festivities the party is an assured success.

Thursday night, March 2, is the date set for the presentation of the Senior play, "Green Stockings".

Each night the cast is busily at work practicing. The play is a very clever comedy, one of the most popular of the Samuel French productions.

Friday night the boys' glee club entertained the student body with two well rendered selections.

The boys' and girls' basket ball teams with coaches Lathrop and Lee played Weiser High school at Weiser Friday night. The girls' game resulted in a tie, which when played out, gave Weiser one point over Ontario, the score being 16 to 17. The boys were also defeated.

Miss Dunstone sang for the student body during assembly Tuesday "Lak a Rose," was thoroughly appreciated and received a hearty encore.

Wednesday evening, Feb. 15, at 8 o'clock, Miss Helen Dunstone, assisted by Mrs. W. H. Harrison, soloist, will present the Boys' and Girls' Glee Clubs with a musicale in the High school assembly hall.

Tuesday night the Ontario basket ball team, both boys and girls, defeated teams from the Vale High. The boys' score stood 39 to 8, and the girls' 12 to 4.

VALLEY VIEW

Miss Una Armstrong, who has been unable to attend High School the past week on account of sickness was able to return this week.

The Farm Bureau held a very interesting meeting at the Valley View school house last Thursday evening which was well attended and resulted in the addition of several new members.

The program opened by singing a number of popular songs led by Prof. Conklin; a reading, "Smiley's Frog," by Mr. T. W. Claggett; singing of parodies on Old Black Joe and America led by the school children; reading by Mrs. Gray Kinney followed by the Kangaroo Kort. A. R. Albee acted as Judge, Geo. K. Aiken, Clerk; Messrs. Breithaupt and G. W. Dean Attorneys for the prosecution; Messrs. Claggett and Conklin, Attorneys for the defense; Jury Messrs. Asahor, Armstrong and Shaffer, Mesdames Dean, Kenney and Burr. A. F. Burr was the first witness for the prosecution.

His crops consisted of jack rabbits and hides, but after considerable cross examination he acknowledged he was in the dairy business in a small way, also raised some young stock and grain and potatoes. Mr. Fred Sundquist witness for the defense was so confused in his statements that his testimony was ruled out. W. S. Rees, A. Brown and Charles Amidon further proved that the old methods of farming were inadequate, and the jury decided for the acquittal of "Old Undesirable".

The defense asked for a retrial of the case in Lackey's Kort at Arcadia the following night. Following the dismissal of the Kort, Professor Conklin explained the plans of the Farm Bureau and several new members joined.

Miss Lola Rees, who was operated on for appendicitis last week is reported to be doing as well as could be expected.

Miss Edith Goodwater and her

little niece, Edith Brown, returned from Portland last Saturday where they have been visiting for five weeks.

A. F. Burr and family spent Sunday with Jesse Brown and family. Irene Pough, Edith and George Goodwater of Ontario were also dinner guests at the Brown home.

The Sunday School was well attended. The Ontario Baptist church conducted the service in absence of Rev. Blom. This was their first attempt and they are to be commended on the excellent service they so ably conducted. The quartette from the Baptist church also sang.

Fruitland Voters Decline to Authorize Issuance of Indebtedness to Care for Schools—Other Fruitland News

Another time the board for a new high school building for Fruitland has failed to carry by a small margin. Had twelve of those voting against the proposition voted for it. It would have carried and by fall Fruitland would have had a building to take care of the children. The conditions are pitiful and the Board does not know what it can or will do to make room. The vote was reported 320 for and 178 against.

An Unusual P. T. A. Meeting

Friday afternoon the P. T. A. met in the auditorium of the High School. Now Remember—Always Use CALUMET BAKING POWDER

There is no waste. If a recipe calls for one egg—two cups of flour—half a cup of milk—that's all you use. You never have to re-bake.

Contains only such ingredients as have been officially approved by U. S. Food Authorities, is the product of the largest, most modern and sanitary Baking Powder Factories in existence.

Pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet
Columbia
Muffin
Recipe
—4 cups sifted flour, 4 level teaspoons Calumet Baking Powder, 1 tablespoon sugar, 1 teaspoon salt, 2 eggs, 2 cups of sweet milk. Then mix in the regular way.

REMEMBER to ask your grocer for Calumet Baking Powder and be sure that you get it—the Indian head on the orange label.

Then forget about bake day failures. For you will never have any. Calumet always produces the sweetest and most palatable foods.

And now remember, you always use less than of most other brands because it possesses greater leavening strength.
