In the 22,000 Homes the Idaho Power Served

> The service rendered by the Idaho Power Company is by no means lim't ed to generating electric current and transmitting it to farms, industries and homes. Our electrical merchandise department makes possible the fulles use of that current in the home by placing time and labor-saving appliances within the easy cach of all. The luxuries of yesterday have become the necessities of today. We are pleased to announce a further demonstration of our merchan-dise department's service by offering

Balance in Easy Monthly Payments

The offering of a high-grade sweeper for so low a cash payment has been equalled but seldom. We recommend the Hoover because it combines the three essentials of thorough cleaning—BEATING SWEEPING and AIR SUCTION. It gets the three kinds of dirt out of your rugs at the same time. The strong air suction gets the surface dirt—the electrically driven brush gets the clinging litter and destructive, embedded grit. No other cleaning machine gets ALL of the dirt out of your rugs

WE WILL GLADLY DEMONSTRATE THE HOOVER IN YOUR HOME, ON YOUR OWN RUGS OR IN THIS OFFICE
