TOM MIX APPEARS IN THE ROLE OF A "TENDERFOOT"

Tim Mix is to open at the Majestic Theatre on Saturday in a Fox picture "Trillin'." The story involves a deep mystery affecting several lives, and is based on Max Brand's novel of the same name. Mix is first discovered in a drawing room with his wealthy father, and those who never have seen the Western star in Tuxedo will be curious to see him in this picture. Later he goes to the West and is mistaken for an ordinary tenderfoot, but the folks out there soon discovered their mistake. Mix shows them a few things about horsemanship and fighting.

There is plenty of gun-play, pretty horsemanship and snappy action in "Trillin'." to say nothing of a love romance in which the beautiful Eva Novak figures.
