J. R. BLACKBAY
C. R. EMISON
EARL BLACKBAY
Directors.

(SEAL)

KINGMAN KOLONY

Mrs. M. M. Maxwell and Miss Corinne Maxwell recently returned from southern California, where they spent a delightful winter and spring. They contemplate motoring back to California for the winter. Mrs. Maxwell is now visiting in New Plymouth.

Miss Bertha Schafer of Nez Perce, Idaho, has been visiting the past two weeks with her parents, Mr. and Mrs. W. L. Schafer, while in the Kolony. Miss Schafer was entertained in the Martin and Otis homes.

Mrs. Harrison McAdams of Welser, and Miss Elsie Robinson, who is on her way east to the Sigma Kappa convention, were guests of Mrs. Maurice Judd part of the week.

The past week Mr. and Mrs. Walter Nichols entertained Mrs. Nichols' mother, Mrs. Patterson of Emmett, Mr. and Mrs. Pollard of California, and Mr. McLain of Portland. The guests departed the last of the week for their homes. While here Mrs. Patterson also visited her daughter, Mrs. Nick Bach.

Mr. and Mrs. W. E. Edwards were dinner guests Sunday of Mr. and Mrs. Preston in Homedale.

Mr. and Mrs. C. C. Cotton and daughters Susan and Madeline celebrated the latter's return from school in Twin Falls, by a trip to Arrow Rock Dam one day last week.

Mr. and Mrs. R. R. Overstreet and Mr. and Mrs. Maurice Judd and Robert S. Overstreet were shopping in Boise Friday.

Miss Bernice Martin is spending the week with Mrs. P. B. Anderson at Big Bend, and Mrs. Geo. MacLafferty and Miss Florence Bach are thinning apple at the Steele orchard in Roswell.

Mrs. Embry Maxwell leaves soon with her little son and daughter for a visit at the old home in Minnesota.

Mr. and Mrs. W. J. Casad from New Plymouth motored over to spend a day this week with the Edwards family.

F. Lee Johnston, H. C. Balbridge, S. G. Tucker and others from Parma were looking at the potato fields here this week.

Messrs. Briethaupt and Wellman are coming here Thursday to make a test of the demonstration wheat planted in the Kolony.

Mr. and Mrs. Roy Crouch of Wilder visited at the A. D. Moses home this week.

Two car loads of Pig club boys and their leader went to Nyssa Friday and gave the club boys there a run for the high score in a baseball game, which was a tie until the last half of the ninth inning, when Nys-

sa run in two score which resulted in a score of 4 to 2 in favor of the latter.

The school board held a meeting at the Edwards home Thursday evening.

Mrs. Charles Schweizer, who has taught several successful terms in Owyhee, has been engaged as principal of the Kolony school for the ensuing year. Miss Alma Homan of Ontario will teach the lower grades.

The contract for grading and graveling the highway through the Kolony has been let to Lem Walker of Arcadia, and work will be commenced at an early date. Gravel from the Beaumont pit will be used.

Men from the Owyhee and from this community, Monday, did the grading for a 600 foot switch just north of Overstreet crossing in Kingman Kolony. Railroad men advise that the siding will be put in at once. This is an improvement of much significance, for a large and highly productive district will be served by this switch.

HE ALSO KNEW TENNYSON

Poetic Business Man Got Something of a "Jolt" When He Tackled Little Waitress.

The man with the superior air was a poetic business man. He generally patronized a small lunchroom near his office. When he was not selling eggs at wholesale or something, he liked to read verse. His favorite was Tennyson's "Idylls of the King." And because he felt that he knew so much about it, he thought he would have a little fun with the lunchroom waitresses, in a superior sort of way.

It began by naming the girls after the heroines in the poem. His regular waitress was a tall, gaunt person, but somewhat queerly as she bore down on him with a plate of hash. Her real name was Sadie.

"Sadie," he announced one night, "hereafter I'm going to call you Guinevere, Mind?"

"I should worry," said the waitress, shifting her gum, "but who's she?"

"The bride of King Arthur," was the reply.

"Awful, but I hope she's respectable. I ain't seen that filium."

So it went. All the girls were properly renamed. And then one day a new waitress was on the job. She was small and dark. Exceedingly pretty, he thought.

"I haven't named you yet," he told her after a couple of nights.

Then he explained his little indoor sport.

"I'll let you be Elaine," he said.

"How ridiculous," she answered. "I ain't be Elaine."

"Why not?"

"Tennyson says she was fair. I'm a brunette. Elaine the fair, Elaine the beautiful, Elaine the lily maid of Astolat." Evidently you don't remember how the lines went.

The superior bookworm called for his check.—New York Sun.

MOST MILES per DOLLAR

Firestone
GUM-DIPPED CORDS
-and Their High Mileage Records

The high mileage records of Firestone Cords continue to emphasize the fact that Firestone methods are different and better. These records, steadily increasing in number and in mileage totals, justify the Firestone contention that there is one best way to build tires.

Among the primary sources of Firestone extra mileage is double gum-dipping—the saturation of the cord plies in a vat of liquid gum—thus coating each cord and virtually eliminating internal heat and friction.

Another is Firestone air bag curing, with its 300 pound pressure, which places every cord accurately and equalizes the tension.

By blending the rubbers of different plantations and types, and by tempering it before mixing, Firestone men add still more mileage.

Many cord tires are good—a few are better—Firestone users say one is best.

Those who have already experienced Firestone mileage, have stopped shopping and experimenting—they have made these cords standard equipment. Investigate your friends' success with Firestone Cords—and buy your next tire accordingly. Come in and get your share of extra mileage.
