

LOWYHEE

Georgia Rust is convalescing from an attack of scarlet fever. Mr. and Mrs. Chas. Bradley and daughters, Ruby and Alta, returned the last of the week from Emmett and vicinity, where they have been picking fruit. Gus Schweizer and daughter, Anna went to Boise, where Miss Anna underwent an operation for removal of tonsils. Choir practice was held Saturday evening at Klingback's. They will meet at the Fisher home next week. Mr. and Mrs. Hugh DeBord and son, Burle, accompanied by Elmer and Clarence DeBord of Arena Valley visited at the F. L. DeBord home Sunday afternoon and spent the night with Louis DeBord. Mrs. Otto Schweizer and Mrs. Ruth Shore are visiting at the Oec Schweizer home. Miss Evelyn

Schweizer of Nyssa, is visiting her cousin, Peggy Shore. Miss Lillian Davis of Vale, met with the sewing class at the Pullen home Friday, it being her last meeting with them. Word from Manan Lowe, who is now the guest of relatives in Oklahoma, states that she is having an enjoyable visit, but doesn't much enjoy the severe and numerous thunder storms of the East. Second hay cutting is starting in parts of the valley, and is generally a much more promising crop than the first, with little of no weevil. Mr. and Mrs. LeRoy DeWitt and Mr. and Mrs. Chas. Schweizer and daughter, Della, called at the Lowe home Sunday evening. Mr. and Mrs. O. Hite returned from Long Valley where they have been for several weeks. Mr. Hite and son, Omar, are going back Monday morning. Rev. Blom and son, from Ontario, were making calls in the community last week.

EVERYBODY IS ANXIOUS FOR "THREE MUSKETEERS"

Sixteen duels, a man holding up a broken bridge while three riders cross it, the stealing of a queen's jewels, a desperate fight with a conscienceless woman for their recovery, a smashing of one of the greatest intrigues of history—these are but a few of the dramatic incidents in Douglas Fairbank's sixth United Artists picture, "The Three Musketeers" scheduled for a 3 night run at the Dreamland Theatre beginning next Sunday, July 30.

FLY-TOX

1. Against FLIES and MOSQUITOES. Close the windows and doors and spray FLY-TOX into the air in all directions, especially upwards. Then watch them gather at the windows and drop dead—every last one of them. They have been killed by asphyxiation, same as being gassed. A room full of flies can be killed in about five minutes. No unpleasant odor—no muzz—no danger.
2. Against MOTHS. Spray FLY-TOX in the closets and chests where clothes are kept. Then close them up for twenty minutes. Do this once a month.
3. Against CICKROACHES and WATERBUGS. Spray FLY-TOX into their hiding places. It will bring them out. Give them another shot and watch them turn over and die. Same application for ants, spiders and lice in hen houses.
4. Against BED BUGS. Spray the beds, springs, and covers with FLY-TOX. Rip open the cover of the mattress and spray inside and outside. Spray the baseboards, floor and walls.
5. Against FLEAS and LICE on Dogs and Chickens. Spray FLY-TOX into the hair or feathers. Do not rub into the skin, as it might blister.

The last things wanted in a home of business place are bugs. Heretofore, the remedies for these indoor insects have been almost as bad as the bugs themselves. Insect powders are messy to use and the better class of homes will not put up with the dust resulting from the use of insect powder. Fly paper is not a pleasant thing to look at and poorly efficient. Most liquid insecticides smell badly, discolor and stain. What is FLY-TOX? It is a household insecticide and deodorant. It is a clear amber colored liquid which you apply with an ordinary garden sprayer or mouth sprayer. Mouth sprayer FREE. It will not stain or harm the most delicate fabrics, linen, curtains, wall paper, etc. It is not poisonous, even if taken internally by man, fowl or beast. The odor is pleasantly aromatic and passes away quickly when the windows are open. It is a wonderful cleaner for glass and enamelware. Does not contain Carbolic Acid (Phenol), Oil of Myrbane (Nitrobenzol) or any chemicals poisonous to human beings. Keep FLY-TOX away from exposed flame. Sold by all dealers. Accept no substitutes.

PAYETTE VALLEY REX SPRAY CO.
Distributors, Payette, Idaho
