Taste is a matter of tobacco quality

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.

Oregon's World Champion Jersey

Mrs. Sam J. McKee of Independence, Ore., is holding Lad's Iota, the champion Jersey cow of the world. Oregon has long held most of the Jersey honors. A few years ago Vive La France was world's champion, and she lived at Marion, Ore. Then some Maine cow managed to squeeze out a few more pounds of butterfat. But

Lad's Iota promptly came to the front with a production of 1048.07 pounds of butterfat in 18,632 pounds of milk in a year and brought back the Jersey crown to Oregon. This wonderful cow is expected to be at the Pacific International Live Stock Exposition, at Portland, Ore., November 4-11.
