Our new DRY CLEANING plant has now been in operation one year and we take this means of thanking our customers for the part they have played in making it the great success it has become.

We have the best equipped plant between Boise and Baker and the OLYN one between Caldwell and Weiser. To date we have invested six thousand dollars in our DRY CLEANING building and equipment and this amount would have been larger if it were not for the fact that we use much of our laundry equipment for both purposes. We will continue to add to this and improve as time goes on and hope to merit your increasing patronage.

We have featured "ODERLESS DRY CLEANING" in all of our advertising and this is the only kind we have ever sold. It is a term that should not need to be used any more than "FRESH EGGS"—there should be no other kind. However, since the public is offered more than one variety we will continue to "Tell the World" that ours is ODERLESS.

Dry Cleaning makes your clothes last longer because it removes the dirt, grit and grease that are natural enemies of fabrics and inclines you to be more careful with your own garments. It kills moths and germs. In other words "it's a good old wagon." While it's on your mind, get out your winter things and send 'em for a ride.

Yours For Clean Clothes,

RAIN WATER JONES

**THE MEN AND THE ISSUE
PIERCE OLCOTT TAXES**

WHO AND WHAT THEY ARE

Walter M. Pierce

Came to Oregon when a boy and by industry and efficiency became a successful man of affairs.

Pierce is a genuine farmer and stockgrower; a large land owner, and the tax he pays each year is almost as much as Governor Olcott's salary.

Pierce was almost the only member of the Oregon Legislature that lifted a voice against or voted against excessive or foolish appropriations.

Pierce has safe and sane plans to reduce taxes on land and town homes by placing part of the taxes on wealth now untaxed, such as timber in forest reserves, franchise tax, income tax.

Pierce is opposed by certain timber and public service interests who are carrying on a dirty campaign of misrepresentation against him; they dread his tax program and fear that he will make them disgorge profits and share taxes with the overburdened landowners—farmers.

PIERCE SAYS HE WILL LOWER TAXES; IN OLCOTT'S ONTARIO SPEECH AND OTHER SPEECHES HE SAID THEY COULD HARDLY BE LOWERED AND 'MIGHT GO HIGHER'; PIERCE WILL DISPENSE WITH A GOOD PART OF THE 435 AUTOMOBILES AND TRUCKS THAT THE STATE OWNS AND MAINTAINS, SUCH CARS NOW BEING USED IN A POLITICAL WAY TO BOOST OLCOTT BACK INTO OFFICE.

OLCOTT SAID IN ONTARIO THAT STATE TAXES HAD INCREASED ONLY 43 PER CENT BETWEEN 1916. AND 1922; NOW LOOK AT YOUR TAX RECEIPTS. AND. SEE THESE LEVIES FOR MALHEUR COUNTY.

PIERCE FOR GOVERNOR

Political Adv.

Ben W. Olcott

Came to Oregon about 14 years ago; got into politics; in 1910 was campaign manager for the DEMOCRATIC candidate for Governor.

Was appointed Secretary of State by a Democratic Governor.

Elected Secretary of State.

Climbed into the Governor's chair upon the death of Gov. Withycombe.

Got his salary raised from \$5000 to \$7500 a year.

Again a candidate; sort of a perpetual motion politician.
