GOVERNMENT TO FILE WAR FRAUD SUITS

Recovery of \$75,000,000 Alleged Improperly Spent at Camps Is Planned.

Washington, D. C.—Legal action to recover more than \$20,000,000 alleged to have been obtained fraudulently from the government in the construction of four army cantonments during the war was instituted by Attorney General Daugherty as the first formal step in a far reaching prosecution of those who held contracts for the building of war camps. The number of suits to be filed has not been definitely decided, but it was indicated that a dozen or more separate actions were in prospect. The initial cases are expected to involve construction of Camp Upton, Yaphank, N. Y.; Camp Jackson, Columbia, S. C.; Camp Sherman, Chillicothe, Ohio, and Camp Funston, Fort Riley, Kans.

Unofficial estimates place the total sum that will be sought in all of the recovery suits contemplated at more than \$75,000,000. In one camp, costing \$13,000,000, auditors were said to have found indications of an excess expenditure of \$5,000,000.

In the first group of four suits in which action is to be instituted, the government seeks to recover a total of \$21,500,000; the Camp Upton suit involving \$6,000,000, the Camp Jackson suit \$6,500,000, the Camp Sherman suit \$5,000,000 and the Camp Funston suit \$4,000,000.

Total tax collections for the year aggregated \$3,197,461,983, compared with \$4,595,357,061 for 1921, while income and profit taxes for 1922 amounted to \$2,086,918,464, against \$3,228,137,673 the previous year.

Miscellaneous collections arising from taxation other than that on incomes and profits amounted to \$1,110,532,618 for 1922, a decrease of \$256,686,770, or 19 per cent.

Summary of the income and profits tax receipts during the year by states showed New York far in the lead in amount with Pennsylvania second and Illinois third. Collections by states include:

Alaska \$173,787.12, California \$92,251,113.85, Hawaii \$14,632,590.97, Idaho \$1,372,658.22, Montana \$2,302,231.74, Oregon \$14,934,997.18, Washington \$18,733,630.39, Wyoming \$1,547,987.02.

IRRIGATION AID IS OPPOSED

Desire For Economy May Prevent Any Legislation at This Session.

Washington, D. C.—Opposition to further federal activities in reclaiming arid lands at this time has manifested itself among the members of congress who represent the middle west sections.

This became apparent when President Harding conferred with a number of the most active members of the committee on irrigation and public lands in the house.

In view of the desire for economy in all departments on the part of the administration and of the middle west opposition, those best informed in reclamation matters believed there would be no reclamation legislation at this session.

Mr. Prospective Auto Buyer

Dear Sir:

Automobile licenses are based upon the WEIGHT of the car; the LIGHTER the car, the lighter the TAX.

The federal WAR tax hits the buyer of a BIG car pretty hard, but the war tax on a FORD is a small matter.

A set of TIRES for a BIG car WILL cost quite a bit more than the first payment on a Ford, FULLY EQUIPPED.

The monthly payments on a BIG CAR amount to more than the monthly EARNINGS of plenty Ford owners who have paid for their cars and still HAVE MONEY IN THE BANK.

Repairs? A Ford owner can do most of his own, but if a shop job IS necessary,—well, THAT'S the time the BIG CAR owner wishes he had bought a Ford in the first place.

Resale? There is a greater demand for USED Fords than for any other car. A USED Ford can be sold for a greater PERCENTAGE of its original cost than can any other car.

And with all these advantages, you can buy your Ford with a small cash payment and pay the balance on easy terms, covering full equipment, even to license and insurance. Pay while you ride. Start riding NOW!

Yours very truly,

V. B. Staples
