## PAPER WATER RIGHTS ARE INSUFFICIENT

The register and receiver of the Boise land office have handed down a decision in the contest case of George F. Mahony vs. Walter B. Holman involving a desert entry described as the west half of the northwest quarter section 33, east half of the northeast quarter section 32, township 6 south, range 5 east, in which they hold the entry for cancellation. This decision involves what are declared to be "paper water rights" and the register and receiver say: "We do not think it was intended that persons making entry under the desert land law should be permitted to purchase paper water rights, and on such showing hold the land indefinitely. The water right this man purchased was worthless almost from the time he secured it, and in our judgement he should not be permitted to come in now and successfully plead that transaction as a defense against this contest." The water right was purchased from the Bruneau Land and Irrigation company.

## BENEFIT CONCERT FOR MRS. YOCKEY

A concert will be given as a benefit for Mrs. Yockey next Saturday, January 15, at the Grand Opera House. The program which is being prepared will be the very best possible, and some exceedingly pretty numbers will appear thereon, while not a weak spot will be discernible throughout. It has also been arranged to have moving pictures thrown on the canvas in the intervals between the musical items. The music, vocal and instrumental, will be carefully selected and the most expert performers of the city will vie with some clever musicians amongst the newcomers for honors. It will be the first time that the latter have been heard in public here and it is safe to say that they will acquire themselves so well that a very pleasant evening is assured. Vale's own best vocalists and instrumentalists will also be on their mettle and something new will come every moment.

Following is the program:—  
Band  
Moving Pictures,
