## Will Cut Off Huntington

In speaking about conditions in the Basin it was learned from Mr. Runyon that there was about 250 people in that district, 35 school children and no school. Their nearest railway station now is Brogan, 16 miles distant. Up to the present time all the freighting of provisions, machinery and material is all shipped in from Huntington, 22

miles away and the roads heavy and all up hill to the Basin.
