Malheur County is celebrated for its honey.

MOOREVILLE ITEMS

Mrs. C. L. Cook was visiting friends at Cord, Saturday and Sunday.

Everet Mickey has been in Ontario the last week.

Messrs. O. H. Hanson and O. Dutcher will leave in a few days for their homes near Portland. Mr. Dutcher says there is getting to be too many mad coyotes out here to suit him.

Mr. and Mrs. L. J. Moore were Crowley visitors Saturday.

One of the most pleasant events that it has been our pleasure to attend was a dance and card party, held at the home of Mr. and Mrs. S. F. Sutton on New Years eve in honor of Mr. Sutton's birthday. The fore part of the evening was spent in dancing and then supper time came, and we couldn't begin to tell of all the good things to eat prepared by Mrs. Sutton. The table was prettily decorated with red primroses, after supper was over the card game started, and lasted until a late hour. The ladies first prize was won by Miss Mary Neal, a handsome hand bag; the consolation prizes were given to Mrs. Cook and Miss Jessie Seward. The gentlemen's prize was won by Mr. Frank Clemens, which was a box of cigars and the consolation prize by J. H. Neal. In the bean guessing contest the prize was won by J. S. McCumsey. After the card game was over, Claude Cook proposed we dance some more, after a while we looked out and saw the sun was up, so thought it was time for us all to start home, wishing Mr. Sutton many more such happy birthdays. Among those present were Mr. and Mrs. J. H. Neal and daughter, Miss Mary, from Follyfarm; Mr. and Mrs. S. C. Seward; Mrs. Ben Seward; Miss Jessie Seward, and the Clemens brothers, from Cord; Mr. and Mrs. C. L. Cook, Mr. and Mrs. J. S. McCumsey; Messrs. C. N. Coutz, Sam Moore, Harry Brown, O. H. Hanson, O. Dutcher, and Tex Martin.

MOOREVILLE, Ore., Dec. 28.—Weather has moderated since last writing, registers above freezing today.

The Christmas tree was a success Santa Claus remembering all. The little tots and big tots enjoyed the tree. After the program the presents were delivered and the tree stripped. Dancing began after supper. Mrs. Thompson rendered some fine piano selections. James Young, Orison Dutcher, and Fred Campbell gave recitations. All left expressing their thanks to Mr and Mrs. Moore for a royal good time.

O. H. Houser filled in the wells he dug on the government land trying for water. This is a move in the right direction as it is dangerous to leave such holes open as we understand several have done.

Jackrabbits are eating as much hay as the stock. They go right over a thirty-inch fence.

There will be a supper and dance at S. F. Sutton's on Dec. 31, celebrating Mr. Sutton's birthday.

O. H. Hanson and Orison Dutcher have moved up in the mountains to cut posts to fence their homesteads.

There will be a New Year's dance at Mooreville on Friday night, January 1, 1915, everybody invited.

Mooreville is situated in Barren Valley on Sec 18, Twp. 27, Range 39. Elevation about 3,800 feet. Climate, summers averages between 90 and 95. Winters mild, seldom have zero weather. Fine farming district for dry farming.

Mooreville would not make much of a showing for a town, but is a lively little place, has a post office and a U. S. Commissioner's office where you can make homestead or desert entries or proof on your homestead or desert. Also has a notary public where your legal papers of any kind can be sworn to. Our neighborhood is noted all through the valley for its hospitality. Strangers are greeted cordially and made to feel there is a welcome and a homestead in the valley for them, if they are grit to the core. But misfits and failures could not make a home in this interior country. This is the law of Barren Valley that only the strong shall thrive, that surely the weak shall perish and only the fit survive.

L. J. Moore and wife were visitors at Cord this week.

Jessie Seward of Cord is visiting C. L. Cook and family.

Glenn Moore took a team of horses down to Charlie Dowell's to be fed hay during the winter.

Mr. and Mrs. J. S. McCumsey entertained James E. Young, A. H. Hanson and C. N. Coutz on Christmas.

Mr. and Mrs. L. J. Moore entertained Mr. and Mrs. Steve Seward, Lloyd Mervin and Orison Dutcher, Alber Cross, Edna Cooper, and Ed Coder on Christmas.

Deafness can not be cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedial means. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running nose, or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be lost forever; also cases of deafness caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Halls Catarrh Cure. Sent for free.
