#### SHORTSTOPS.

Looking around for a silver lining as is our optimistic custom, we observe that toothache is a big help to the dentists.

The membership of the sunshine club might increase more rapidly, if it were not for some of those who already belong.

The cartoonist who draws pictures of a fat man representing the trusts is growing scarce, and its just as well.

A pessimist kicks in to state that you'll be older tomorrow, and the outlook will be less cheerful.

What has become of the old-fashioned boy who believed the statutes of the state were suspended on Hallow-e'en?

You can't decide an argument in a manner satisfactory to both sides, and there are other ways of wasting time.

This one supposes he is a sinner for writing it, but he never could get up much enthusiasm over an echo meeting.

## A Talk to Women on "Economy"

### A Bit of Information For the Buyers of the Family on Consistent and Economical Purchasing

Women are the shoppers of the family Upon them devolves the responsibility for an economical expenditure of the household funds.

THEY ARE ON THE ALERT FOR BARGAINS!

But there is only one kind of a bargain, and that is the bargain of merit. IT IS ECONOMY.

Economical buying consists not in the getting of an article at a small price, but in getting an article of quality without paying more than it is worth.

Women are careful shoppers, but even the shrewdest of them are sometimes humbugged. An article is not always a bargain because it is plastered with a placard announcing a 50 per cent reduction. Generally the price has been raised before it has been reduced, for be sure no merchant is going to sell you goods for less than they cost him, unless those goods are so worthless they are a drug on the market and without value to you. Merchants cannot do that sort of thing and remain in business, for their losses would soon bankrupt them.

WHEN YOU ARE READY FOR REAL ECONOMICAL BUYING, FOR GETTING FULLEST POSSIBLE VALUES FOR YOUR MONEY AND EVERY ARTICLE OF GENUINE QUALITY, COME TO US.

We'll do the rest. It is our way of doing business—and it wins.

## Typewriter Gives Business Standing

The small town merchant, the rural business man or the farmer who uses a typewriter has the advantage over the man who does not.

The typewriter not only saves time in writing letters and making out bills, but it adds prestige and reputation to the user.

**The L. C. Smith & Bros. Typewriter** is especially adapted to use in rural districts because it will stand more wear and does not require an expert operator. By following the instructions we will give you, you will have no trouble learning.
