Propaganda, a company capitalized at \$100,000 of which amount \$50,000 has already been subscribed.
At Sunday's meeting arrangements were made for the development of the field and it is expected that as soon as the company can ascertain the commercial value of their deposits machinery will be installed to get out the nitrate for shipment. Over 200 claims are represented in the company and the promoters feel certain that their holdings will eventually turn out to be one of the largest nitrate deposits in the west.—Burns Tribune.
