Malheur county contains nearly 10,000 square miles, 10 per cent of Oregon, an area as large as the entire Willamette Valley and larger than Massachusetts. It is largely undeveloped, less than 25 per cent being taxable. There is more uncultivated tillable land in Malheur county than the area of Connecticut. It possesses large undeveloped deposits of nitrates, oil, iron, gold, etc. Population 16,000. Future advancement of the county depends largely upon the development of irrigation, mineral, dry farming, good roads and industrial resources.

Snake River Valley -- Ontario -- Nyssa

This valley, containing the prosperous farming communities of Cairo, Arcadia, Dead Ox Flat, Riverdale, Owyhee, Kingman Kolony, Big Bend, and others, as well as the progressive city of Nyssa, and Ontario, the county's metropolis, is the best developed farming section in southeastern Oregon. Dairying, alfalfa, grain and fruit are the leading products. Irrigation is quite general.

Correspondents Thanked

The Editor wishes to thank the many correspondents in every section of Malheur county for their news letters sent in so faithfully during this very busy and hot summer weather. You are helping out wonderfully in making the Enterprise a truly county paper and are giving your own community much valuable publicity. Please remember to mail your letters as early in the week as possible so as to enable us to get to press on time in order to reach the far away districts by Saturday. In any event your letters must reach this office Wednesday night in order to be sure of being published in that week's issue.

RIVERDALE

MOTOR BOAT ON SNAKE

Enjoy Ice Cream Social--Looking for Location--Men Coming for Examination Soon.

RIVERDALE, Oreg., Aug. 9.—Lewis Neff, of Blackfoot, Idaho, was here a few days ago looking for a location. He visited his old neighbor, A. Q. Gibson, while here. He thinks the altitude at Blackfoot too high for his health.

C. L. and Grover Cox went to Huntington this week and will spend some days there on business and pleasure.

Mrs. E. F. Naffin is much improved after two weeks of sickness and is able to return home.

Mrs. C. H. Spicer is much improved after a slight attack of typhoid fever.

Mr. Goodson has just completed a new motor boat and will make weekly trips up and down Snake river. The small engine used on the boat cost \$127 and does good work.

Mrs. Alice Smoot and Mrs. C. W. Shouse, who have been visiting their sister, Mrs. C. H. Spicer, left Tuesday morning for Portland, Seattle, Vancouver, B. C., St. Paul, Chicago, Kansas City and on to their home at Winston, N. C.

We understand that Leonard Pease, Rufus Lamb, Rubin Pease, Herbert Thomas and Wilford Jensen will take their examination at Vale this week for the army service.

Mrs. Will Thomas has been quite sick for several days.

Mr. and Mrs. Carl McClure are here from their homestead harvesting their grain crop.

Mr. Wither's brother from Illinois is here visiting, also his mother from Long Valley.

The J. B. S. Girls club gave an ice cream social and program at Jefferson school house last Friday evening. They had a nice time and received about \$30 from the sale of cream. An ice cream social at the Annex school house would be desirable. Enough could easily be raised to make some desirable and needed improvements on the dilapidated school grounds which has the appearance of some ghostly, deserted European battle ground.
