If people only knew how their presence in church helps and cheers they would certainly make more diligent efforts to be present regularly. No General can win a battle alone, no Captain can run a ship single handed, even so no Pastor can run a church unless backed up by the people. So come on everybody and do "Your Bit."

BOYS, MEN, ATTENTION! Next Sunday at 6:30 p. m. at the Methodist church, the Christian Endeavorers will hold a meeting at which only boys and men can take part. The girls and women will be present but will have no voice during the meeting. The topic is "Religion in Politics." All boys and men are requested to come prepared to have something to say on the subject. Every body invited.

The Boy Scouts will give a signal drill. Edward Kimball is the leader appointed for the meeting.
