An Interesting Vision of Tolstoi

An extraordinary prediction was the outcome of a meeting of the Czar and Czarina with Countess Nastasia Tolstoy, the grand-niece of the great Russian writer.

"The end of the great calamity will mark a new political era for the Old World. There will be left no empires and kingdoms, but the world will form a federation of the United States of Nations. There will remain only four great giants—the Anglo-Saxons, the Latins, the Slavs, and the Mongolians.

A Great Reformer Will Arise.

"After the year 1925 I see a change in religious sentiments. The second torch of the woman, which is bigotry and hypocrisy has brought about the fall of the Church. The ethical idea has almost vanished. Humanity is without the moral feeling. But then, a great reformer arises. The man determined to this mission is a Mongolian-Slav. He is already walking the earth—a man of active affairs. He himself does not now realize the mission assigned to him by a superior power.

Arms Will be No Use.

"The anti-national wars in Europe, the class war of America, and the race wars in Asia have strangled progress for half a century.

"But then, in the middle of this century, I see a hero of literature and art rising from the ranks of the Latins and purging the world.

"And I see the nations growing wiser, and realizing that the alluring woman of their destinies is after all nothing but an illusion. There will be a time when the world will have no use for armies."

Change in Journal Force.

With last week's issue Win Brown retired from the staff of the Nyssa Journal resigning in favor of Fred L. Sheets. Mr. Brown and his brother H. F. Brown have published the Journal for the past five years and have been active in the upbuilding of Nyssa and community. Mr. Sheets had recently been connected with the Ontario Democrat and came to Ontario from Boise where he was associated with the big dailies. He is a good all-around newspaper man and will be a valuable addition to the business organizations of Nyssa. Fred has a homestead in the Owyhee country and so has for some time been a resident of Nyssa's territory. H. F. Brown will remain with the firm.
