ONTARIO, Ore., April 5.—The revival meeting at the Methodist church closed Wednesday night with a splendid patriotic program by the boys' and girls' booster choir. The same evening Evangelist Osborne and the singer, Mrs. Callahan, left Ontario enroute for Houston, Texas, where they will hold a large tabernacle meeting.

The churches of the town will unite in common service at the Methodist church Sunday night for the Liberty Loan drive. Hon. W. W. Wood will give the address of the evening. Special musical selections will be given by the churches' union choir.

Dies of Burns

Little four year old Zella Dunn, daughter of Mr. and Mrs. F. M. Dunn of Nyssa died Monday afternoon as a result of severe burns received while playing around a bonfire with some playmates. The fatal accident occurred Saturday morning from that time until her death no hope was held of her recovery. Rev. Earl Hanna of Ontario preached the funeral services, which were held Wednesday as the local pastor Rev. Hanson was out of town attending a funeral at Westfall. Sincerest sympathy is extended by all the country side to the sorrowing parents and friends.

J. A. Weaver is in town today from Burns shaking hands with former friends and acquaintances.

Charlie Cronin left this morning for Juntura where he is going to work this summer. Charlie just returned home from completing a course at Link's Business college Saturday and has spent the time visiting at his home here.

H. W. Ireland was in the city from Boise transacting business the first of the week.

Mrs. H. S. Swain and Clare Swain were visiting with friends while in town from Burns Monday.

Mr. and Mrs. F. Johnson and Miss Emma Johnson, who are former residents of Ontario, spent their Easter vacation here from Spokane, visiting with old friends.

B. V. Newman and W. A. Pickett were two middle valley visitors in the city Sunday.

A jolly girls picnic was held Sunday on the Malheur River west of town where a dainty lunch was eaten after the picnicers had hiked for several miles. Such an excellent time was had that another is being planned for the near future. Those present were the Misses Ula Gramme, Mary Springer, Dece Dearborn, Fern Crummett, Evelyn Stewart, Alma Homan, Dottie Crummett, Sydia Feilner, Margaret Potter and Annie Harris.

Mr. and Mrs. L. M. Estes and children, Mrs. Walter Broderick and Miss Mottie Lee were in town from Westfall last Friday. Mr. and Mrs. Estes visited a while with the Ben Crummetts while the others of the party were attending to other affairs in town.

Hospital Items

Miss Mary Hatfield left for her home in Boise Saturday morning as her patient, Mrs. A. Mueller, had recovered enough to need her aid no longer.

Mrs. Lydia Luiderduin of Payette is a patient of Dr. J. C. Woodward's brought here last Wednesday.

Mrs. Florrie Kinkous and Miss Stella Taylor were two other of Dr. Woodward's patients, coming in Monday from Fruitland.

Mrs. W. C. Hinkley of Payette, who was here receiving medical treatment for varicose veins and ulcers, died Monday evening, April 1st. She had been in the hospital for some time and the disease an account of her advanced age proved fatal. The funeral will be held in Payette this week.

The construction work on the large bungalow which, when completed will be named, "St Joseph's Home of the aged", is rapidly going on now and will be completed sometime next month.

School Notes

The second English II class held their debate Friday morning over the question "Resolved: That the United

States should own and control the railroads after the present war". A unanimous decision was given by the judges to the affirmative side which was composed of Dottie Crummett, leader, Martha Lambert and Dece Dearborn. The debate was rather uneven however due to the absence of Jack Peterson on the Negative and had Frank Dorman prepared his points a little more it is doubtful if the decision would have been the same. The speakers on the negative were Robert Smith, leader and Frank Dorman. The judges were Clara Craig, our champion debater, Miss Catherine Conway, our debating coach, and Chas. Homan.

Girls Win

Last Saturday night at Weiser the Ontario girls' basket ball team again defeated the team of that city with almost the same score they had before 17 to 21.

Hargrove of Payette refereed the game and Mr. and Mrs. L. L. Culbertson of Ontario acted as chaperones. The players on the O. H. S. team were Bernice McGee, Abbie Winegar, Hazel Hardman, Alfarretta Sage, Mary Messie, Dorothy Turner and Lucile Hagans.

At the last count of the War Savings Stamps sold by members of the different classes the rating was:

	Bought	Sold
Freshman	\$ 8.88	\$ 0
Sophomores	704.17	
Junior	525.00	
Seniors	183.50	400.00

The Sophomores carried off the highest honors and each member of the class has pledged himself to buy one \$5.00 stamps before school is out. In this, however, they were beaten by the Juniors, each one of whom owns a stamp now.

Many mysterious happenings occurred thru out the building Monday as the result of unseen visitors roaming around. The assembly table and chairs were on exhibition upon the stage and clock experts were puzzled over the timekeeping of the study hall clock. It was very queer how, in the short space of five minutes, the time would jump forward a half hour or loose fifteen minutes. The clock is now keeping standard time but the mystery remains unsolved.

Miss Emma Johnson, of the class of '20, is visiting her old schoolmates here during her Easter vacation from the Spokane high school.

Last Wednesday night the girls' basket ball team again played the College of Idaho and carried off an easy victory with a score of 14 to 11. The girls on the O. H. S. team were changed about and this left the C. of I. girls bewildered as to who they should guard. Miss Mary Messie was placed as running center and was easily the star of the game. The lineup for this game was the same as that of the Weiser one.

Miss Etta McCreight returned to school Monday after having been entertained at home for a week with the messes.

Our debater, Miss Clara Craig, has had a severe attack of sore throat and it is not known whether she will be able to debate Friday night at The Dalles or not. In case they do however, after the contest is over the party is going to Portland and other places of interest. Mrs. Walter Glenn will act as chaperone if it is understood.

A Branded Soul

The artistry in Gladys Brockwell's new William Fox vehicle, "A Branded Soul," stands out as one of the essential virtues of the photoplay. Dreamland theatre 419 shows that the screen is as susceptible to the artist's touch, as is the stage.

Miss Brockwell has never given us a play so full of excellent acting.

The story of "A Branded Soul," concerns the adventures of a little Mexican girl who gradually comes under the domination of a millionaire of her own land. Though she a pious itself, she finds that she must obey his will or bring ruin to those she loves.

At the very climax of the action, the millionaire is overcome by the girl's sweetness and purity and he changes his philosophy of life. What is more important he also changes the manner of his living.

As the people of his village, incensed against this man, threaten to kill him, the plea of the girl he sought to harm save him from death. With her as a guide, he finds the way to forgiveness and to happiness.

NEW SYSTEM INSTALLED

Ontario Red Cross Doing Excellent Work—Car Raffle Chances Sell

ONTARIO, Ore., April 5. — Mr. Turner accountant from headquarters was in Ontario Monday inspecting the chapter and getting the new accounting system installed. From here he is going to visit other nearby auxiliaries for the same purpose and when all this work is finished the new method will be vastly superior to the old.

Two boxes of the new allotment of of surgical dressings have been completed and will be shipped sometime this week. These mostly consist of the "mattresses" of absorbent cotton and gauze. The work is being done much quicker and easier now, as the chapter has been divided into several sections, each having a different superintendent. Mrs. John Woods is the present superintendent.

The girls of the sixth and seventh grades are working enthusiastically over layettes for the French and Belgian babies. Two of these were finished and brought in this week and will be shipped at about the same time of the surgical dressing. The Domestic Art girls of the high school brought in forty of the black sateen pinafores which will go to the little French and Belgian war refugees.

Tuesday evening the members of the W. C. T. U. gave up their regular meetings in order to devote more time in helping with the surgical work.

Raffle chances on the roadster donated by L. J. Simpson sold rapidly. Miss Helen Anderson selling twenty of these Tuesday evening. Mrs. E. M. Grieg says that at least five hundred of these are expected to be sold and this sum will be a great addition to the Red Cross treasury.

IMPROMPTU PROGRAM

High School Aided by Town Talent Give Enjoyable Program At School

ONTARIO, Ore., April 5.—Monday evening a large crowd composed of old and young gathered in the O. H. S. auditorium to enjoy a program given mostly by members of the Junior Class under the supervision of M. D. Thomas, their class advisor, and was a great success in more ways than one. After the program, pies and candies furnished by the women and girls were sold at auction and brought a good price.

Great excitement and curiosity was caused by the posters and bills scattered over the town which gave the program as follows:

Plan of Attack

- 1—Opening Ode by Jawn Flipp's Soused Band.
- 2—Sig. Alfonso and his Educated Bamboole Socket.
- 3—Camouflage.
- 4—Who'd a Thunket.
- 5—Eddie.
- 6—Fancy Horning and Warbling by Weiners 1/2 dozen.
- 7—Gypsy Smith in Princess Gozabo.
- 8—Mississippi Carbstoners.
- 9—Gas Attack.

The Admission: Ladies—a pie or a pound of sweets, Gents—free with a little kale to buy the eats.

The first number was given by L. O. H. S. band under the direction of Mr. Shimek. They gave several selections in an excellent manner. Two others on the program that gave the audience great amusement were the fourth and fifth. The former was given by the faculty who in extremely youthful garment gave an exhibition of a country school program. The other was by members of the Junior Class, who showed just what occurred at the last faculty meeting in a very humorous way.

The celebrated Weinie Trio gave the "Fancy Horning and Warbling" selection, and altogether the evening was a huge success.
