Plan to save 100,000 babies—News-paper head-line. Very simple; lick the Germans.—Pittsburg Gazette-Times.

It Is Practical Economy To Paint Your Buildings Now and Protect Your Property From Decay and Ruin

Allowing your buildings to go unpainted in order to save paint money is like allowing your insurance policy to lapse because you want to save the premium. Either is poor economy.

Millions of dollars are lost annually because property is not protected against weather, for unpainted buildings offer no resistance to the destructive elements.

Property insurance requires paints and finishes of the finest quality. Wind, rain, sunshine, snow—each acts differently upon a painted surface. It is necessary therefore to use great care in the selection of paints and varnishes for this important task of protection.

For fifty years and more Sherwin-Williams products have been accepted and used as standard high quality finishes. They will successfully protect and increase the value of your property.

A full line of Sherwin-Williams finishes at our store. May we not talk over painting plans with you?

FOR REPRESENTATIVE To the Republican Voters of Harney and Malheur Counties, Oregon. Having filed as a candidate for re-nomination for the Republican nominee of this District as Representative to the Legislature, I take this means of publicly announcing the same. The Primary Election will be held May 17th, 1918, and trust that you will all endeavor to vote thereat. CHARLES M. CRANDALL, April 20-4f.

NOTICE TO WATER USERS Notice is hereby given that on Saturday April 20 at midnight the water supply of the city of Vale will be turned off in order to make necessary repairs to the pipe line and water users are requested to provide some other water supply until such time as the repairs are completed. I. QUISENBERRY, Water Superintendent.—1t.

FOR COUNTY JUDGE To the Republican Voters of Malheur County:

This is to announce my candidacy for nomination and reelection to the office of County Judge of Malheur County. In making your choice, I respectfully request you to consider the records of my administration in the affairs of the county. The county debt has been removed, the finances of the county placed on a cash basis, the business of the public has been carefully attended to, and the taxes lowered in the face of prevailing increased costs of labor and material. During the past year the county has cooperated with the National Government in furthering the best interests of the war.

The new county road policy is beginning to accomplish permanent results and better satisfaction will be given every district than under the previous law.

If nominated and elected I will continue to administer the affairs of the county with the same careful attention that has been given in the past.

The critical hour in the destiny of our country is here, and we are to be drained of millions for national defense. Courage, Conservation and Sacrifice is my platform. GEO. W. MCNIGHT, April 20-4f. Paid Adv.

Hoover Says Eat MEAT

The need of economy is greater than ever, but due to lack of storage and transportation facilities, and the large market run of live stock at this season, and especially in order to enable the American people to save as much wheat as possible, the U. S. Food Administration has removed all restrictions from eating meat. Fresh meats go farther and are cheaper than other food.

SO BUY YOUR FRESH MEAT AND ALL THINGS YOU EAT AT THE

THE VALE MEAT CO.

Good Health Demands Good Teeth

"MORE physical degeneracy can be traced to neglect of the teeth than to the use of alcohol," says Dr. William C. Cline, his eminent authority. And Prof. Lewis M. Terzani, in his treatise, entitled, "The Hygiene of the Child," says that out of 20 million school children in this country, 18 million are affected by disease of the mouth and teeth, which undermines their health and progress. Decayed and neglected teeth cause indigestion and mental backwardness. Tooth-ach and tooth-ache may affect the heart, the eyes and ears—in fact, all our faculties are weakened by diseased teeth and a neglected mouth. A decaying tooth, unpleasant as it may sound, is a rotting bomb in your mouth, according to Arthur Brisbane, the famous editorial writer. Diseased teeth or a neglected mouth is not a joke. It is a constant menace to your health. There is no real cure, except neglect and indifference. Once your teeth are in order you can keep them that way—for remember this—your teeth must start on a clean tooth.

ESTRAY SHEEP—About 36 sheep, mostly weathers, came to my place on Bully Creek, April 14. Brandee bar dot on back. Owner can have same by proving property and paying costs. C. O. GUNDERSON, Vale, Oregon. April 20-12p.

JUDGE KING FOR SENATOR To BEN W. OLCOTT, Secretary of State of the State of Oregon, and to the members of the Democratic Party and the electors of the State of Oregon:

I, Will R. King, reside during the term of my Federal official work at 18th and Eye Streets Washington, D. C., but my permanent residence, domicile, and post office address is Ontario, Oregon. I am a duly registered member of the Democratic Party. If I am nominated for the office of United States Senator in Congress at the primary nominating election to be held in the State of Oregon the seventeenth day of May, 1918, I will accept the nomination for the term of the above-mentioned office known as the "long term" of six years, to begin March 4, 1919, and will not withdraw, and if I am elected I will qualify as soon as officer. If I am not nominated, I will not accept the nomination or endorsement of any party other than the one in which I am registered. If nominated and elected I will during my term of office unreservedly support President Wilson's war aims and the Administration in the reconstruction necessary after war for a greater Democracy, industrially and agriculturally. Am for development of Oregon's unlimited resources; the protection of human and property rights, human rights first; for the best in the world for the boys in the trenches; and through Federal aid for reclamation of all arid, swampy and logged-off lands, and for good roads and the improvement of the national park. My record in Legislature, on branch, and in Reclamation Service guarantees my promises. Words to be printed after my name on the official ballot: My Trinity: Uphold the administration; Support our soldier boys; Develop Oregon's resources. Pd Adv. WILL R. KING.

SCHOOL PROGRAM Vale Ladies Appear on Red Cross Program—Junior Benefit. JAMIESON, Ore., April 18. — The box supper held last Saturday night in Jamieson hall was an enjoyable affair and netted the Junior Red

Cross the neat sum of seventy dollars. After a short program by the school Mrs. L. J. Hadley of Vale spoke of the extensive work of the Junior Red Cross. She was followed by Miss Fay Clark who spoke for fifteen minutes to an interested audience of the mission and possibilities of the Junior Red Cross work.

The vocal solo rendered by Mrs. H. E. Young of Vale greatly pleased her audience and received a hearty encore to which she responded. The Junior Red Cross takes this occasion to acknowledge their indebtedness and express their thanks to the Vale ladies also Mesdames Pope and Oakes for their special assistance.

CASE THE HANDY TRACTOR FOR YOU

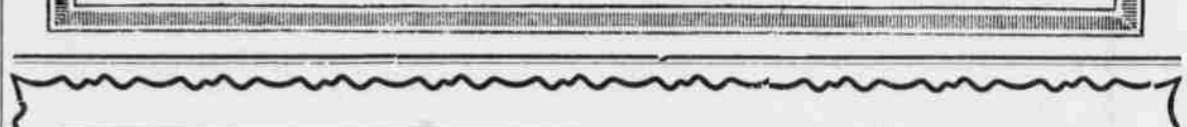

Highest quality material, plus honest workmanship, plus service, gives you the Case Standard. This standard is known the world over.

The Case Tractor is built on Case standard. The result is a tractor that you can depend upon. It fills every power need of the modern farm. It saves your money and time. That saving means increased profit for you.

With this 9-18 Case Tractor you can spread manure, plow, harrow, roll, plant, mow, rake, load and haul hay, harvest grain or corn, dig potatoes, etc. It will thresh, hull, fill silo, bale hay, grind feed, shell corn, pump water, drive milking machine, private electric light plant, and do a hundred other jobs. Case Tractors are right before they leave the factory. They are built in 5 sizes and to fill every farm power need. Let us tell you about them.

The Dollars and SENSE Side of it

"WE MUST STAND WITH OUR BACKS TO THE WALL. OUR HOMES AND THE RIGHTS OF MANKIND ARE AT STAKE", says General Haig. "We must all stand with backs to the wall and fight; physically and materially we must fight; our bodies withstand the steel and our money must furnish the material."

In consequence of the above the Nyal family remedies are now sold by this store at before the war prices.

When you are away out in the mountains and miles away from the care of good medical treatment, good service and good medicine means dollars and life to you. A good trustworthy mail service is one of the best accommodations that you have to depend upon. In our mail order department we give individual attention to each and every order that we receive. We will guarantee each and every Nyal package of Nyal preparation that does not give you results as you think they should, and we are also willing to exchange goods that does not satisfy you on examination. All that we ask is a trial. We will give you a square deal. Is that not fair enough? When you are sick we want you to use nothing but the best medicine obtainable. The best is none to good. Sometimes death results from quick and false medicines. We want you to feel and know that the Nyal remedies are made and manufactured in a big sanitary modern factory. We want you to know that these preparations are prepared by expert chemists and pharmacists, experts in their lines; that they are not experimental or theoretical remedies, containing cheap and inefficient substances and are to cure everything under the sun in one day; but straight medicine intended for one certain ailment only and no other. We want to tell you that Nyal remedies are not secret patent medicines thrown upon the market to deceive and rob by quick advertising. Their contents are not clothed in the clouds of mystery; that their curative value is not the dream of some dreamer but the tried experiments of 20 years standing. We maintain

that you should know just what you are taking and that every drug is specially tested and brought direct from the producer and grower. These drugs are tested to find their exact strength as to uniform compound each time. That you are served each time with the best possible mixture in each and every bottle of the same name. Knowing the exact strength of each drug and chemical that enters into these remedies, therefore, we can readily guarantee these to the limit. Why? Because we know just what they are made of; that they are sanitary and safe. Take for instance Nyal's Little Liver Pills for constipation and stomach disorders. They contain Aloin, Ext. Belladonna leaves, Podophyllin, Strychnine Sulphate, Ipecac and Calomel. The Aloin is a well known cathartic, stimulating the liver with the assistance of the Calomel, one of the very best known liver stimulators known, thus stimulating the general function of the liver. The Podophyllin (commonly known as vegetable Calomel) is very drastic cathartic especially used in the treatment of constipation and stomach troubles, torpid liver, jaundice and biliousness. Ipecac also is added to give tone and aid to the strychnine which is used for a stimulant for the appetite and also to lessen the catarrhal condition of the stomach. This preparation and combinations of this character are recognized by all the leading medical students as second to none for constipation and bilious disorders. These pills now sell for 25 cents.

Guarantee Should any NYAL Product, bought at this store, fail to give full satisfaction—your money will be promptly refunded without question.
