### Prominent Ex-Progressives Are Endorsing RALPH E. WILLIAMS For Republican National Committeeman.

Portland, Oregon, April 20, 1918. The undersigned, all formerly Progressive and now registered Republicans, wish to add our endorsement to the candidacy of Ralph E. Williams, of Portland, for re-election on May 17, to the position of Republican National Committeeman. We endorse his candidacy for the following definite reasons: In the first place, if Mr. Williams had not invited and encouraged the Progressives to join with the Republicans of this State in 1916, there would have been no active co-operation between the two forces and Oregon would undoubtedly have been lost to the Republican cause. Mr. Williams advocated the adoption by the Republican National Committee of a similar program of amalgamation and co-operative action in other States. If his suggestions concerning California and Washington had been followed, these two states would also have been found in the Republican column after the national election. Mr. Williams' attitude of friendliness toward Colonel Roosevelt is generally known to Republican leaders throughout this country and state. The same spirit of unity which Mr. Williams was so largely instrumental in effecting in Oregon in 1916, he also strove successfully to bring about in the recent meeting of the Republican National Committee at St. Louis. The new chairman of the Republican National Committee, Will H. Hays, who was elected at the St. Louis meeting, has called attention to the splendid spirit of harmony which Mr. Williams has shown in his efforts to bring about the adoption of the Republican party in Oregon and earnestly urged that it be maintained. Mr. Williams' record as an earnest supporter of the Government in the energetic conduct of the war, is widely known, owing to the aid he has given all war activities. We believe in all fairness, that Mr. Williams' activities as outlined above, entitle him to re-election. We also believe that you are entitled to know where we stand with regard to his candidacy and for that reason, we have addressed this statement to you. Henry Waldo Coe, Progressive National Committeeman for Oregon, Thomas R. Neuhausen, Ex-chairman of State Progressive Party, George Arthur Brown, Ex-chairman of Executive Committee, Progressive Party, Sanford MacDonald, Pres. of Assn. of Fathers of Oregon Soldiers and Sailors, D. L. Povey, A. J. Moulton, F. H. Lewis, Progressive members of the Hughes campaign Committee; Charles W. Ackerson, Oliver M. Bickley, O. E. Bailey, Lon. L. Parker, George B. Anderson, Vinton Flexner, Mrs. George I. Thomas, Mrs. Maude I. Neuhausen, Mrs. Ann E. Greville, Mrs. Maude M. Povey, Miss Mary E. Hill. Paid Adv.—April 27—13.
