UNITED STATES SENATOR CHARLES L. McNARY

Because United States Senator Charles L. McNary has made good he should be nominated to succeed himself in the Republican Primary, May 17th. From the day he became Senator he has loyally championed the prosecution of the war, and during his term of office has accomplished more for Oregon than any other member in Congress in a like period.

Among his colleagues he is known as "the man on the job," and during the present war crisis Oregon should consider itself fortunate in having an opportunity to return him and not be compelled to send to Washington a new, untrained man.

Believing that the supreme obligation he owes his country is to help win the war, Senator McNary, instead of returning to his State to conduct a political campaign, is at his post in Washington working for Oregon and aiding in the prosecution of the war.

Always since entering the Senate he has been a friend of our soldiers and sailors and has introduced legislation giving them preferential homestead rights and repeatedly championed their cause when their welfare was in jeopardy.

Championing the cause of the Oregon farmers, Senator McNary pro-

duced for them a primary wheat market, saving thereby several million dollars to the wheatgrowers of the Northwest.

Realizing the present Food Control Law fails to fix prices for many commodities, Senator McNary has introduced, and is laboring for the passage of a bill, striking at profiteering and fixing prices on the necessities of life.

Senator McNary has procured Government contracts for the first time in the State's history for Oregon products, such as prunes, dehydrated potatoes and vegetables in large quantities.

Large Government contracts for army clothing and shipbuilding yards. Favorable action by the senate committee on irrigation on a bill providing for the government marketing of district irrigation bonds, thereby supplying funds for irrigation projects.

Favorable action from same committee on a bill authorizing the Secretary of the Interior to accept irrigation or drainage district bonds and exchange them with the Secretary of the Treasury for certificates of indebtedness, thereby providing funds for legitimate products.

Senator McNary is working: For prompt payments of allotments to dependent relatives of our soldiers and sailors.

For the construction of a coast Military highway at government expense.

A comprehensive plan for the utilization of the water resources of Oregon.

An aviation training station at Medford.

Senator McNary was born on a farm in Oregon; reared in the Baptist church; educated in the public schools; worked his way through Stanford University; is a lawyer and farmer and has been a life-long Republican.

He was formerly a Justice of the Supreme Court and later chairman of the State Republican Central Committee.

Space forbids further enumeration of the vast amount of work Senator McNary has done for Oregon, but anyone will realize from the foregoing the Senator has displayed truly remarkable ability, coupled with extraordinary diligence and energy. His native State can best show its appreciation of his faithful and efficient services by nominating and electing him.

All Announcements Under This Heading Are Paid Advertisements.

FOR COUNTY JUDGE

To the Republican voters of Malheur County:

I hereby announce my candidacy for the office of County Judge of Malheur County, subject to your will at the primary election, May 17, 1918. If nominated and elected I will work for the good of Malheur County without fear or favor.

Believe that every part of Malheur County is entitled to their pro-rata of Good Roads, the same as Malheur County is entitled to our pro-rata from Oregon.

HARRY L. POORMAN, Ontario, Ore. April 20-1f.

FOR COUNTY JUDGE

To the Republican Voters of Malheur County:

This is to announce my candidacy for nomination and reelection to the office of County Judge of Malheur County. In making your choice, I respectfully request you to consider the records of my administration in the affairs of the county. The county debt has been removed, the finances of the county placed on a cash basis, the business of the public has been carefully attended to, and the taxes levied in the face of prevailing increased costs of labor and material. During the past year the county has cooperated with the National Government in furthering the best interests of the war.

The new county road policy is beginning to accomplish permanent results and better satisfaction will be given every district than under the previous law.

If nominated and elected I will continue to administer the affairs of the county with the same careful attention that has been given in the past.

The critical hour in the destiny of our country is here, and we are to be drained of millions for national defense. Courage, Conservation and sacrifice is my platform.

GEO. W. MCKNIGHT, April 20-1f.—Paid Adv.

JUDGE KING FOR SENATOR

To BEN W. OLCOTT, Secretary of State of the State of Oregon, and to the members of the Democratic Party and the electors of the State of Oregon:

I, Will R. King, reside during the term of my Federal official work at 18th and Eye Streets Washington, D. C., but my permanent residence, domicile, and post office address is Ontario, Oregon. I am a duly registered member of the Democratic Party. If I am nominated for the office of United States Senator in Congress at the primary nominating election to be held in the State of Oregon the seventeenth day of May, 1918, I will accept the nomination for the term of the above-mentioned office known as the "long term" of six years, to begin March 4, 1919, and will not withdraw, and if I am elected I will qualify as such officer.

If I am not nominated, I will not accept the nomination or endorsement of any party other than the one in which I am registered.

If nominated and elected I will dur-

ing my term of office unreservedly support President Wilson's war aims, and the Administration in the reconstruction necessary after war for a greater democracy, industrially and politically. Am for development of Oregon's unlimited resources; the protection of human and property rights, human rights first; for the best in the world for the boys in the trenches and through Federal aid for reclamation of all arid, swamp and logged-off lands, and for good roads and the improvement of the national park. My record in Legislation, on brackets, and in Reclamation Service guarantees my promises.

Words to be printed after my name on the official ballot:

My Trinity: Uphold the administration; Support our soldier boys; Develop Oregon's resources.

H. LEE NOE, P. Ad.—Mar. 9-1f.

FOR SHERIFF I hereby announce myself as a candidate for the office of Sheriff of Malheur County, Oregon subject to the will of the voters of the Democratic party at the primary nominating election to be held in Malheur County, State of Oregon, on the seventeenth day of May, 1918.

ARTHUR M. MOODY, Pd. Ad. Mar. 24-1f.

FOR REPRESENTATIVE To the Republican voters of Harney and Malheur Counties, Oregon. Having filed as a candidate for re-nomination for the Republican nominee to the Legislature, I take this means of publicly announcing the same. The Primary Election will be held May 17th, 1918, and trust that you will all endeavor to vote thereto.

CHARLES M. CRANDALL, April 20-1f.

FOR REPRESENTATIVE To the Republican voters and Harney and Malheur counties. I hereby announce my candidacy for the position of Joint Representative from this district in the next session of the Oregon Legislature, subject to your will as expressed in the coming primaries.

If nominated and elected, it will be my aim to promote legislation that will enable the state to provide means for the care of families of enlisted men; to provide protection for Oregon homes and industries, and to carry out our part of this war to a successful and early conclusion.

I will also promote and work for legislation that will tend to increase the production of food stuff and prevent profiteering in the marketing of the same.

I believe that our first and most important business is to win the war, and next to that, the encouragement of the production of food products, and if nominated and elected my efforts will be devoted to the policy, as well as other needed and meritorious legislation.

WIN HONORS Malheur County Sunday Schools Take Honors in La Grande.

Malheur County schools won the gold seal and the blue ribbon at the State Twin Convention held in La Grande April 22-24. Delegates Mrs. R. H. McDonald and Miss Maude Meyers of Nyssa who represented this county returned home last week after several profitable days of convention work. The honors won were awarded for general good work including the financial standing, the convention work and work of officers, the 98 per cent mark must be reached before a county can win. Malheur county, according to County President Mrs. B. F. Farmer, "went over the top" on all ratings.

NOTICE FOR BIDS Sealed bids will be received by the Common Council of the City of Vale, Oregon, on Thursday, May 9, 1918, at 8:00 o'clock P. M., for sprinkling the streets during the summer of 1918. The Council reserves the right to reject any or all bids. Published by order of the Common Council of the City of Vale, Oregon. Ross A. Soward, Recorder. April 20-21.

Portland stockyards last week paid cattle raisers highest price ever received for cattle on Pacific Coast, 17 1/4 cents a pound which is a pretty good reason for high cost of meat.

RAILROADS ARE NEEDED Play Important Part in Development of State.

"More and more as the world moves along, and especially in the next few years, transportation will play a constantly increasing part in our prosperity and economic balance." L. J. Simpson, in a recent talk before Portland business men, claimed that this item is one which Oregon as a state must consider. "Railroads," he said, "should gridiron the interior of the state."

He believes that the logical way to develop commerce is by the general development of the outside portions of the state. Oregon today has but one large city, yet geographically and topographically is the most ideal state of the Pacific Coast for intensive development.

Mr. Simpson, the candidate for the Republican nomination for Governor, gave in his talks some examples of how manufacturing encouraged by local interest and the application of principles which are proving successful year after year, have built up and are still building up North Bend, Oregon, a town which 19 years ago existed only in the active mind of this citizen of Southwestern Oregon.

she jumped back just as the brute snapped at her and running to the house notified her father P. S. Morrison who killed the animal with his shot gun. Conserve the Wool Supply IF you want to help your country and at the same time help yourself, conserve the wool supply. Go to your wardrobe, get that old suit which needs to be cleaned and pressed and possibly repaired, send it down and have it worked into a respectable suit. There is no doubt but what there are a number of men here in Vale who have two or more old suits which they think are not worth fixing, but especially at this time when new clothes are sky high it will pay you well to have this work done. The RIGHT KIND of a MAN For Senator Robert N. Stanfield FARMER, STOCK RAISER AND PRODUCER The State is entitled to the active services of a man who knows how to work. Work for the State generally and work for the people of the State, both individually and collectively. Oregon does not need any orators for orators are a drag on the market, and like constitutional lawyers, they do not get anything. The Federal Government needs all the assistance Oregon can give, but is not receiving it because it has not been put up to the departments on a business basis. Today business men are having more to do with the government affairs than ever before. We are spending twenty-four million dollars a day and the people who will pay this money are the people who actually create wealth, the farmer, producer and the toiler. The prosperity of the small farmer, the small producer and the small manufacturer is as essential to the State and the Nation as the prosperity of the big men, every one of our occupations should be given equal consideration regardless of the amount produced. Every encouragement must be given to increase production and this can be obtained only through assurance that the small farmer as well as the big men is going to receive his proportionate share of the war expenditures, and that there will be a market for his products and a profit to him for his work, based proportionately upon his cost of production. There must be equality in all phases of our State and National industry and the small fellow must not be forgotten, overlooked or crowded out through the rush for big things and big orders and big accomplishments. If the people of the State want a business man, a worker, a man who knows, is thoroughly acquainted with every phase of the industrial situation in Oregon, a man who is capable, honest and fearless, a man who has by his own labor and through his own advancement aided in the progress and development of Oregon, they want Robert N. Stanfield. Paid Adv. by Stanfield Senatorial League 203 N. W. Bank Building, Portland.
