

CAPT. DUNCAN THANKS VALE HONOR GUARD

PASS EXAMINATIONS

Vale Honor Guard Girls Rank High in First Aid Exams.

Ranking high as to grades all ten of the Vale Honor Guard Girls who took the examinations for "First Aid Work" passed and their certificates have been sent for. For several weeks past the girls have been studying under supervision of their leader, Mrs. G. F. Wildhaber.

At the last meeting the Guard held election and installation of officers for the coming year. For the next few weeks they will cut gunwiners. Captain Duncan Sends Thanks Last month a shipment of several

thousands of gun wipers were sent Capt. Robert Duncan's company at Camp Lewis from whom the girls have received the following letter of thanks.

Camp Lewis, Washington, May 15, 1918.

Vale Honor Girls, Vale, Oregon, Dear friends: Just four days ago I received a letter from the Adjutant General of the Army at Washington, D. C. attaching a letter I had written to you a long time ago to thank you for the cleaning patches sent to B Company of this regiment. It takes about two months to get official communications through on account of the rush. I can lay this accident entirely on my green clerk who got the thing mixed up in mailing. I am very sorry.

Then the express packages came I told the boys of B Company just how they happened to be favored and they at once extended you a vote of thanks for the best gift the Company has ever received and I think—yes am sure some of them threatened to come to Vale some day to thank you in person. I surely hope that the

fortunes of war may permit that, for they are fine young men. The only thing I regret for them is that they are "Native Sons" of California instead of Oregonians.

Your gift was indeed liberal and highly appreciated. Until you have been around an army you will never appreciate how hard it is to keep a supply of cleaning patches. A soldier treasures every stray bit of cloth he can secure.

They all promised to "shoot straight" when they get "over there" and I am sure they will for they are doing so now. Kaiser Bill had best take to the woods when we all get there too for and shall share in that honor for your thoughtfulness and labor are indeed one of the elements that make it possible for "our boys" to do so well.

With kindest regards and best wishes for each of you and to all of you as the real Honor Girls.

I am Sincerely yours, Robert M. Duncan Capt. Inf. R. C.

Hampton Court Singers at Chautauqua

Thoroughly delightful, alike to those who wish good music rendered in faultless manner and those whose tastes demand the quality of entertainment in a musical program, the platform offering of the Hampton Court Singers has won the organization a host of friends among Chautauqua patrons. This company occupies a distinct field, presenting as it does a varied program in which old English motion songs are featured. A musical sketch in costume adds to the delight occasioned by songs of the fine old period of the chivalric days in which the songs were written. The clever blending of the program takes the hearer back to the time of romance, and the musicianship of the members of the company is such that they give a thoroughly satisfying performance, viewed solely from a musical standpoint.

WOMEN'S STATEMENT WILL HELP VALE

"I hated cooking because whatever I ate gave me sour stomach and a bloated feeling. I drank hot water and olive oil by the gallon. Nothing helped until I tried simple buckthorn bark, glycerine, etc., as mixed in Adler-ika." Because it flushes the ENTIRE bowel tract completely. Adler-ika relieves ANY CASE sour stomach, gas or constipation and prevents appendicitis. The INSTANT action is surprising.—Vale Drug Store. 4tf.
