

**NOTICE TO SUBSCRIBERS**  
 Increased cost of paper and all expenses in connection with publishing a newspaper, together with new postal regulations require us to enforce subscribers to pay in advance for the Enterprise. We have already succeeded in getting nearly all of our many subscribers to pay in advance. Now in order to treat these fairly and to maintain the high standard of the Enterprise, EVERY subscriber, in order to continue receiving the Enterprise must pay his subscription of \$2.00 regularly each year, and in advance.

**Watch Your Date**  
 The date to which your subscription is paid is printed each week on your copy of the paper. Watch this date and try to send in the money for the next year's subscription before your time expires, thus avoiding missing any copies. The dates are indicated on your paper just to the right of your name as follows: 1Jan9, means the first day of January, 1919, etc. Hereafter we will not mail receipts for subscriptions unless requested, but will advance the date printed on your paper, thus giving you notice that you have received proper credit. As we correct the list but once a month your date may not be changed until a week or so after receipt of payment. We are always glad to correct any errors in your name, address, or the date paid to.

**Change of Address**  
 In requesting us to change the address of your paper from one post office to another it is necessary that you give the post office where you have been receiving the Enterprise as well as the new address to which you wish it sent. This will avoid your missing several issues and will save us a blind search thru the entire list to find your old address. If your paper does not come regularly kindly notify us at once so we can locate the trouble promptly.

## Ladies' Symphony Orchestra at Chautauqua

Ten Splendid Musical Artists in Two Programs on the Fourth Day

The Ladies' Symphony Orchestra of Chicago has achieved unusual success in their field of musical endeavor. The enthusiasm of their audiences everywhere, together with the press and personal comments, testify to the delight with which these charming and talented young women have been received.

This splendid musical organization consists of five stringed instruments, clarinet, flute, horn, piano and traps. In addition a specially built reed organ of unique construction is carried by the company. When combined with the other instruments the reed and wind effects of a very large orchestra are secured.

The two programs on the fourth day are built to please lovers of every kind of music. There are orchestral numbers, violin and 'cello solos, instrumental duets, quartets, readings and vocal solos. Beulah Truitt, manager of the company, is an artist in readings and character sketches who could easily give a full afternoon or evening program. Ethel Lee Buxton, soloist, has contributed largely to the success achieved by the Ladies' Symphony Orchestra. She has a soprano voice of unusual range and flexibility.

### HOLSTERIN YIELDS 40 LBS OF BUTTER IN WEEK

Ideaze Pontiac Lass 238652 has covered herself with glory by becoming the 33d purebred Holstein cow to produce more than forty pounds of butter in a week. Her official record for seven days stands at 715.5 lbs. of milk, yielding 42.48 lbs. of butter. She then continued and completed a thirty day record of 2811 lbs. of milk yielding 141.08 lbs. of butter.

Her sire is King of the Pontiac 39037 and as she is his third daughter to yield over 40 lbs. of butter in a week he is again in a class by himself. King of the Pontiacs was the first bull to have more than one 40 lb. daughter, an honor which he was forced to share this winter with his sire, Pontiac Korndyke. He is now the only bull with three 40 lb. daughters. The dam of Ideaze Pontiac Lass is Pelham De Kol Urna 109314.

Ideaze Pontiac Lass freshened at the age of 4 years, 14 days. She is owned by J. W. Vaughan, St. Johnsville, New York.

### MORE HOLSTEINS

F. J. Tickner who owns an alfalfa ranch up the river and has a Holstein

dairy herd is the owner of Sir Walter Segriss Wayne a fine large registered Holstein-Friesian bull. Mr. Tickner came to Vale last fall from the Payette country where he formerly owned property. He brought with him a fine herd of good holstein stock. Some of the finest livestock in this part of the country is now owned in Malheur county and the introduction of pure bred and registered stock is doing much to raise the standard of the dairy industry in this section.

### Tea Service Beverage

Tea is the active service beverage at the British front, according to M. C. A. canteen workers "over there."
