SCHOOL PLAY SUCCESS

Girls of Domestic Science Department
Make Good in Comedy
Play.

Last Saturday evening at the Rex
Theater the girls of the domestic
science and art department of the Vale
high school appeared in the three act
comedy Miss Fearless and Company,
before one of the best audiences ever
assembled in the theater. The girls
did full justice to every line of the
play and carried out their parts with
a professional air, reflecting credit
upon their trainers Mrs Norton and
Miss Hill.

The comedy lines of the play were
especially well given and kept the au-
dience laughing most of the evening.
The characters of the country cousin
Sarah Jane and the Irish Maid were
given the most opportunities for "laugh
lines" and Myrtle Wann and Elsie
O'Neill took these parts to a nicety.
Bernice Hope as Margaret Henley fit-
ted the part perfectly as did Marie
Smith, Dollie Lawrence and Myrtle
Griffith the parts of the girl's friends.
Inez Palmer, as the Old Maid, Miss
Euphenia, kept the rest of the cast
busy with her realistic fainting spells.
While Rose Jensen as the little girl,
"Just Lizzie" made good during her
short time on the stage. Lois King
and Frankie Edwards as the two boys
Alias and Alibi were very man-like
in their actions and kept the audience
in an uproar when they appeared.
Music between acts by the Vale
orchestra and the Vale high school
girls filled the pauses.

FAME AND FORTUNE

Dramatic Whirlwind of Bullets, Brav-
ery and Love is Title Applied
to Fox Masterpiece.

Tom Mix in "Fame and Fortune"
to be shown at the Rex Theater Wed-
nesday evening March 12 the stages
one of the most sizzling thrills of
western life even depicted by a cow-
boy star. In the story he fights a
whole town to save his heritage and
win his bride. The play is full of
daredevil riding stunts and swift
shooting by cowboy gun experts and
in more than one place brings the
audience to its feet with hair raising
scenes. The star, Tom Mix is a Tex-
as cowboy who has served his country
in Cuba, Philippines and China and
knows no fear, he lives over in each
of his pictures his life in the sad-
dle on the range, and he is a true
type of the western cowboy.

Baby Boy Born

A baby son was born to Mr. and
Mrs. Howard H. Melay in Vale Tues-
day March 4. Doctor Pauline Sears
attended the mother and reports the
new arrival a fine husky young Amer-
ican.

Taking Treatments

Mrs. H. C. Cleveland of Jamieson is
in Vale for a few weeks while taking
treatments from Drs. Sears.

LEGISLATURE REVIEWED

Land Board Given Power
House Bill 243, by Gallagher will
be of great assistance to the State
in the development of its lands, and
it gives to the State Land Board the
same power and authority over the
lands of the State as is now enjoyed
by an individual over his own lands
and the Board is directed to at once
perfect the title to all of its swamp
lands, and investigate land frauds,
to generally put the lands of the state
in shape for reclamation, through
irrigation or drainage, and to contract
with the government, or other agency
for the reclamation of the same. It
is anticipated that within five years,
under the provisions of this act, that
the lands of the state will be in private
ownership and on the tax rolls of
the various counties. This bill is
of particular interest to Counties like
Lake, Klamath and Harney, where
there are large areas of swamp land.

Other bills of local interest intro-
duced by Gallagher and which are
now on the statute books and of inter-
est to the local community as shown
by the final calendar are house bill
39, making it a crime for commission
men, or buyers of live stock at mar-
ket centers to enter into combina-
tions for the prevention of competi-
tive bidding on stock offered for sale;
House Bill 80, making life insurance
notes non-negotiable for 30 days af-
ter making, this gives the assured
time to receive his policy before his
note can be negotiated and gotten
into the hands of an innocent party.
House Bill 75, allowing the assured
reasonable attorney fee where suit
is brought on a policy of insurance;
House Bill 112, enabling Malheur
County to retire its road and bridge
bonds out of the general fund, thus
cutting off the interest charge the
county is now paying; House Bill 267,
appropriating \$15,000 for soil surveys
and duty of water investigations to
be carried on by the agricultural col-
lege. House Bill 433 appropriating
\$10,000.00 for the eradication of pre-
datory animals, and allowing the
counties to cooperate in this work by
like, or larger appropriations, and
cooperation with the department of
Agriculture.

CASES TO GRAND JURY

Principles in Riverside Wood Alcohol
and in Jordan Beef Stealing
Cases Bound Over

Marshall J. A. Wroten returned to
Vale Monday with Ambrose Floriaga
who is supposed to be implicated with
Silas Shelton and Ralph Webster in
alleged butchering and selling beef
belonging to Fred Palmer of Jordan
Valley. All three waived hearing be-
fore County Judge Test and were held
over to the April Grand Jury, bonds
being fixed at \$750 each.

The County Judge also bound over
to the Grand Jury Martha Schutter
and Hugh Maxwell who have been
charged with manslaughter in connec-
tion with the selling of wood alcohol
at Riverside which resulted in the
death of four men who drank the
poison.

Put Out Grass Fire

An exciting few moments was ex-
perienced by Dr. Pauline Sears and
Mrs. Anna Pritchett on Wednesday
while returning home from the west
end of town. Some small boys play-
ing near the Longwell and Brown
home had started a fire which got into
the tall dry grass and was making
sweeping headway toward buildings
when the ladies arrived on the scene.
They immediately started a bucket
brigade and with the assistance of neighbor
women beat out the flames in the
grass, which threatened serious damage
for several moments.

Eastern Star To Meet

The Eastern Star will hold its reg-
ular monthly meeting next Wednes-
day March 12 at the hall. The early
part of the evening will be given over
to lodge work which will be fol-
lowed by a general social hour.

SEED! SEED! SEED!

Thru the thoughtfulness of Congress-
man N. J. Sinnott, the Enterprise of-
fice has received a shipment of garden
vegetable seeds for free distribu-
tion to the people of Malheur county.
Because the seed supply is short this
year the government wishes these to
be placed in the hands of people who
will really use them. Address your
request for the seeds to Malheur En-
terprise, Vale, Oregon, and they will
be mailed free.

This generation may miss the booze;
