VICTORY LOAN QUOTA NOT TO HINGE ON W. S. S. Failure of Some Districts to Reapportion Causes Change in Plans

Victory Liberty Loan quotas will not be affected by Thrift Stamp sales as planned by the Treasury Department the first of the year. It was announced last January by Lewis B. Franklin, director of war savings, that wherever Thrift Stamp quotas were exceeded the amount of oversubscription would be taken from the coming loan quota and that if the Thrift Stamp quotas were not reached the deficiency would be added to the loan quota.

THRIFT MEANS Spending wisely to satisfy important needs of the present and saving the rest of one's income to meet important needs of the future, lest spending for trifles today deplete one's resources so that he cannot meet important needs and opportunities tomorrow. Thrift, like success, requires two things, planning and will power to carry out the plans. In short, thrift means success. Thrift stamps will help you to plan and will back up your will power.

THE ACID TEST Provost Marshal-General Crowder's report of the work of mobilizing the man-power of the nation under the Selective Draft Act disclosed the reason why America was able to produce such a tremendous quantity of foodstuff despite the drain upon the labor of the country by the operation of the draft. The reason was that sixty-five per cent of the farm labor of the country registered for military service was given deferred classification upon agricultural grounds. Saving the possible exception of shipyard workers no other single industry was given such consideration as was the pursuit of farming and no class of producers was treated more fairly than the farmers. This was right and just, yet to the credit of the government.

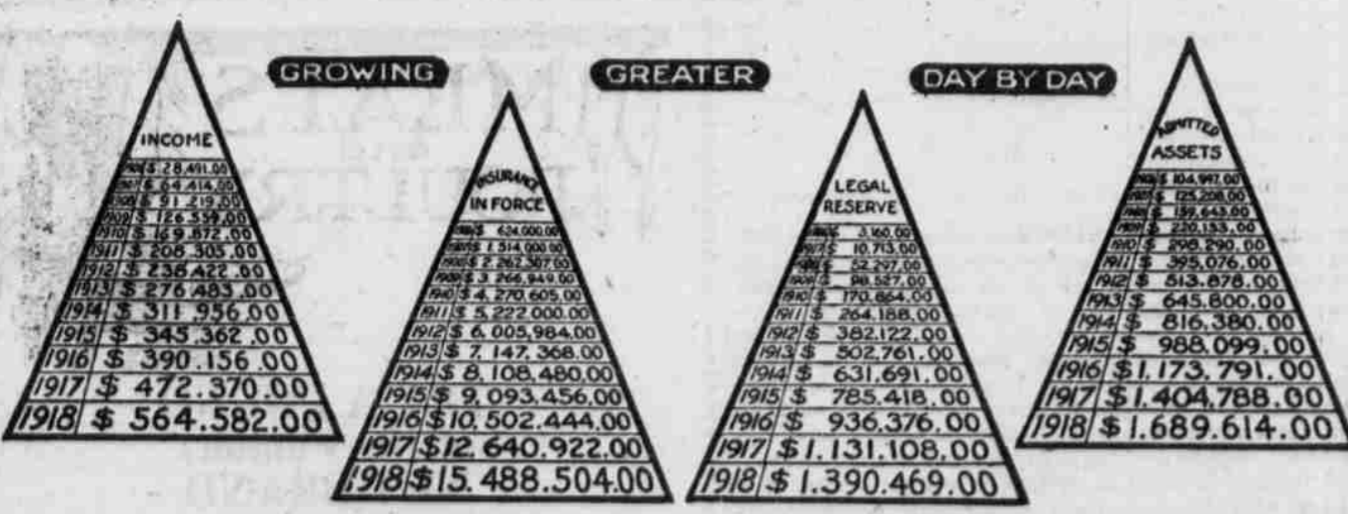

REGENERATION Before I went to war I lived my life in luxury and softness, seeing naught Of the despair and sad, unceasing strife Of thousands with whose lives my ease was bought. Before I went to war I took no thought But heedless, careless, dallied on with sin; Saw not the price at which a soul is bought, Nor knew the souls men buy as mine own kin.
