Honor Guard Report

The members of the local guard met at the home of Miss Dorothy Turner last Friday evening and made their plans for the rest of the season. The Honor Guards all over the state have been disbanded but the girls of the home guard will organize under another name for the purpose of adopting war refugee orphans and caring for them. The principal event of the state meeting after the decision of disorganization was reached, was the disposition of the funds on hand. \$108.00 was set aside to adopt three French war orphans, \$25.00 each was to be given to Salvation Army, Y. M. C. A., Red Cross, and Syrian-Armenian Relief Fund. \$25.00 was sent to a hospital in California for some Oregon boys who were there, and the balance was kept to pay some outstanding expenses. At the state meeting Miss Lila DeBell, president of the past year, was reelected president to act in case of emergency and was given the power to call the guards together again. The evening was taken up with attending to business matters after which dainty refreshments were served and the girls departed feeling that despite the business cares of the evening, socially it had been a success.
